Created Freedom under the Sign of the Cross David E. DeCosse,2022-06-08 The United States is in a crisis of freedom Influenced by neoliberal economics the concept of freedom has become identified with an abstract radical individualism disdainful of responsibility to others and to the past Signs of this crisis crop up everywhere Some invoke freedom as justification for refusing to wear a mask in a pandemic Others argue that freedom is an empty word if it s celebrated apart from an honest engagement with the country s history of racism Created Freedom under the Sign of the Cross offers a Catholic theological response to this crisis of freedom Catholic social ethics may be better known for its emphasis on social principles like the common good and solidarity But developments in Catholic theologies of freedom in the last decades provide fertile ground from which to develop a bold creative response to this American crisis of freedom In this book theologian David DeCosse draws on thinkers ranging from philosopher Amartya Sen to Black Catholic theologian Shawn Copeland to twentieth century theological giant Karl Rahner in order to reimagine American freedom in light of classic Catholic emphases on embodiment relationship history the good and God The result is a Catholic public theology that

provides a redemptive path forward in an age of crisis      **Freedom's Journey** Krystal Kroh,2011-05 It seemed every time I tried to sit down and read the Bible I couldn't do it because it was so dry and boring I knew I was supposed to read it but every time I would practically fall asleep Little did I know the beautiful treasures in the Bible would someday bring me into a world of trust faith and joy that I had never known possible In the aftermath of rape betrayal and bullying Krystal Kroh longed to have someone save her A string of broken relationships did nothing to alleviate her constant anxiety and panic attacks It was not until she gave her life over to God that she was able to let go of her past and find hope for her future Her relationship with God gave her a sense of freedom and security that paved the way for healing in her other relationships as well In this inspiring memoir Krystal shows how she was delivered and led through Freedom's Journey      **Feminism and the Abyss of Freedom** Linda M. G. Zerilli,2020-11-13 In contemporary feminist theory the problem of feminine subjectivity persistently appears and reappears as the site that grounds all discussion of feminism In *Feminism and the Abyss of Freedom* Linda M G Zerilli argues that the persistence of this subject centered frame severely limits feminists capacity to think imaginatively about the central problem of feminist theory and practice a politics concerned with freedom Offering both a discussion of feminism in its postmodern context and a critique of contemporary theory Zerilli here challenges feminists to move away from a theory based approach which focuses on securing or contesting women as an analytic category of feminism to one rooted in political action and judgment She revisits the democratic problem of exclusion from participation in common affairs and elaborates a freedom centered feminism as the political practice of beginning anew world building and judging In a series of case studies Zerilli draws on the political thought of Hannah Arendt to articulate a nonsovereign conception of political freedom and to explore a variety of feminist understandings of freedom in the twentieth century including ones proposed by Judith Butler Monique Wittig and the Milan Women's Bookstore Collective In so doing Zerilli hopes to retrieve what Arendt called feminism's lost treasure the original and radical claim to political freedom      *The Journey to Freedom* Matthew Bauer,2010-12-31      [Close Your Eyes, Get Free](#) Grace Smith,2018-07-17 Grace has a gift of helping others harness their own power to achieve what they really want If you've been hitting a wall in your life it's time to turn to Grace for a breakthrough Jessica Ortner New York Times bestselling author of *The Tapping Solution for Weight Loss Body Confidence* Forget what you think you know about hypnosis and learn why it is the hottest new technique for personal development More and more studies are showing that hypnosis can help ease everyday stress and anxiety as well as promote powerful healing from our worst habits to our deepest fears Now Grace Smith shares her groundbreaking self hypnosis techniques that she uses to great success with her clients to help them practice meditation with a goal You'll learn how the deeply relaxed state of hypnosis will allow you to access old patterns of behavior in order to transform them once and for all You'll discover What hypnosis is and what it's not The real power of your subconscious mind Simple practices to help easy anxiety boost self confidence quit procrastinating overcome emotional eating and more      *The Philosophy of Freedom*
