**Tallahassee Higgins** Mary Downing Hahn, James Cross Giblin, 2007-02-19 Out of sight out of mind That's what Tallahassee Higgins's mother Liz always says about her ex-boyfriends. But now that Tallahassee has been sent to live with her aunt and uncle in Maryland so Liz can start a movie career in California the words are taking on new meaning. Aunt Thelma says that Liz is gone for good but Talley is sure her mother will come for her. So who cares if Aunt Thelma hates her if she's failing sixth grade or if the kids at school think she's a liar? It's not like she's staying in Maryland forever. Unless Aunt Thelma is right and Liz isn't coming back.

The Forgotten Girls Monica Potts, 2023-05-30 NEW YORK TIMES BESTSELLER An acclaimed journalist tries to understand how she escaped her small town in Arkansas while her brilliant friend could not and in the process illuminates the unemployment drug abuse sexism and evangelicalism killing poor rural white women all over America. A clear-eyed and tender debut. This book is as much the author's story as a piece of

reportage. The Wall Street Journal Growing up gifted and working class poor in the foothills of the Ozarks Monica and Darci became fast friends. The girls bonded over a shared love of reading and learning even as they navigated the challenges of

their tumultuous family lives and declining town broken marriages alcohol abuse and shuttered stores and factories They pored over the giant map in their middle school classroom tracing their fingers over the world that awaited them vowing to escape In the end Monica left Clinton for college and fulfilled her dreams but Darci along with many in their circle of friends did not Years later working as a journalist covering poverty Potts discovered what she already intuitively knew about the women in Arkansas Their life expectancy had dropped steeply the sharpest such fall in a century This decline has been attributed to deaths of despair suicide alcoholism and drug overdoses but Potts knew their causes were too complex to identify in a sociological study She had grown up with these women and when she saw Darci again she found that her childhood friend addicted to drugs often homeless a single mother was now on track to becoming a statistic In this gripping narrative Potts deftly pinpoints the choices that sent her and Darci on such different paths and then widens the lens to explain why those choices are so limited *The Forgotten Girls* is a profound compassionate look at a population in trouble and a uniquely personal account of the way larger forces such as inheritance education religion and politics shape individual lives
