Talmud Berachos 1:

Le Talmud: Berachot 1 (2a-17b) ,1996 **Tosafos: Tractate Berakhot 1 (Masekhet Berakhot 1)** Chaim Malinowitz, Yisroel Simcha Schorr, Zev Meisels, 2018 **Rewriting Ancient Jewish History** Amram Tropper, 2016-04-20

Half a century ago the primary contours of the history of the Jews in Roman times were not subject to much debate. This standard account collapsed however when a handful of insights undermined the traditional historical method, the method long enlisted by historians for eliciting facts from sources. In response to these insights a new historical method gradually emerged. *Rewriting Ancient Jewish History* critiques the traditional historical method and makes a case for the new one, illustrating how to write anew ancient Jewish history. At the heart of the traditional historical method lie three fundamental presumptions. The traditional historical method regularly presumes that multiple versions of a text or tradition are equally authentic; it presumes that many ancient Jewish sources are the products of largely immanent forces of cloistered Jewish communities and barring any local grounds for suspicion it presumes that most ancient Jewish texts faithfully reflect their sources and reliably recount events. *Rewriting Ancient Jewish History* unfurls the failings of this approach; it promotes the new historical method which circumvents the flawed traditional presumptions while plotting anew the limits of rational argumentation in historical inquiry. This crucial reappraisal is a must read for students of Jewish and Roman history alike and a fascinating case study in how historians should approach their ancient sources. *Here All Along* Sarah Hurwitz, 2019-09-03

A renowned political speechwriter rediscovers Judaism, finding timeless wisdom and spiritual connection in its age-old practices and traditions. Sarah Hurwitz was Michelle Obama's head speechwriter, and with this book she becomes Judaism's speechwriter. Adam Grant, *New York Times* bestselling author of *Give and Take*, *Originals*, and co-author of *Option B*. After a decade as a political speechwriter serving as head speechwriter for First Lady Michelle Obama, a senior speechwriter for President Barack Obama, and chief speechwriter for Hillary Clinton on her 2008 presidential campaign, Sarah Hurwitz decided to apply her skills as a communicator to writing a book about Judaism. And no one is more surprised than she is. Hurwitz was the quintessential lapsed Jew until, at age thirty-six, after a tough breakup, she happened upon an advertisement for an introductory class on Judaism. She attended on a whim but was blown away by what she found: beautiful rituals, helpful guidance on living an ethical life, conceptions of God beyond the judgmental bearded man in the sky, none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year. That class led to a years-long journey during which Hurwitz visited the offices of rabbis, attended Jewish meditation retreats, sat at the Shabbat tables of Orthodox families, and read hundreds of books about Judaism, all in dogged pursuit of answers to her biggest questions. What she found transformed her life, and she wondered: How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it? Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays, ethics, and prayer to Jewish

conceptions of God death and social justice In this entertaining and accessible book she shows us why Judaism matters and how its message is more relevant than ever and she inspires Jews to do the learning questioning and debating required to make this religion their own Searching for meaning in the ancient scripture and traditions of Judaism Sarah Hurwitz takes us along on an enriching journey of discovery In Here All Along she explores her birthright as a Jew and finds timeless and valuable life lessons David Axelrod director of the University of Chicago Institute of Politics and former senior advisor to President Barack Obama

To Worship God Properly Ruth Langer,1998-11-29 A major influence on the development of rabbinic liturgical custom after the destruction of the Temple was the need to establish that this innovative worship of the heart was as acceptable to God as biblically prescribed sacrificial worship Later Jewish communities and their leaders continually refined the details of the system they inherited to reflect their changing understandings of acceptable meaningful and constructive worship These understandings have in turn been shaped not only by liturgical halakhah and active custom but by new intellectual and social currents and by the vicissitudes of Jewish history Ruth Langer uses the tools of historical scholarship and anthropological study of ritual to analyze some of the dynamics that have shaped Jewish liturgical law and determined the broader outlines of the prayer life of the Jews After a consideration of the talmudic issues upon which the acceptability of prayer depends she offers a basic list of legal principles derived by later generations from talmudic literature to ensure that prayer takes the form of blessings composed according to a very specific pattern and invoking God in a very precise way She then investigates the development and implementation of the corollary that invoking this blessing formula in ways that deviate from the specific directions of the Talmud constitutes precisely inefficacious and even dangerous prayer Questions about appropriate prayer language go beyond the blessing formula to the contents of the prayers themselves Langer analyzes the battles fought over the legitimacy of inserting liturgical poetry into the fixed texts of the statutory liturgy and over the requirement of community for the proper recitation of certain prayers specifically those that include the angelic liturgy Although in each of these controversies the rabbis compromised by reinterpreting either legal theory or custom or both to bring them into harmony their solutions have never been monolithic or simple In its lucid illumination of those complexities To Worship God Properly adds to our understanding of the history of Jewish liturgy and the general history of rabbinic leadership and law

Our Father Abraham Marvin R. Wilson,2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church *Our Father Abraham* delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic

mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of *Our Father Abraham* features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson s own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson s widely acclaimed book will offer encouragement and wise guidance toward this worthy end *The Jerusalem Talmud: First order, Zeraïm. [pt. 1]. Tractate Berakhot*, 2000

Time and Difference in Rabbinic Judaism Sarit Kattan Gribetz, 2022-08-09 How the rabbis of late antiquity used time to define the boundaries of Jewish identity The rabbinic corpus begins with a question when and is brimming with discussions about time and the relationship between people God and the hour Time and Difference in Rabbinic Judaism explores the rhythms of time that animated the rabbinic world of late antiquity revealing how rabbis conceptualized time as a way of constructing difference between themselves and imperial Rome Jews and Christians men and women and human and divine In each chapter Sarit Kattan Gribetz explores a unique aspect of rabbinic discourse on time She shows how the ancient rabbinic texts artfully subvert Roman imperialism by offering rabbinic time as an alternative to Roman time She examines rabbinic discourse about the Sabbath demonstrating how the weekly day of rest marked Jewish time from Christian time Gribetz looks at gendered daily rituals showing how rabbis created men s time and women s time by mandating certain rituals for men and others for women She delves into rabbinic writings that reflect on how God spends time and how God s use of time relates to human beings merging divine time with human time Finally she traces the legacies of rabbinic constructions of time in the medieval and modern periods Time and Difference in Rabbinic Judaism sheds new light on the central role that time played in the construction of Jewish identity subjectivity and theology during this transformative period in the history of Judaism

A Great Voice that Did Not Cease Michael Chernick, 2009-05-01 The growth of the rabbinic canon may be best described as a hermeneutical endeavor Michael Chernick demonstrates how hermeneutical methods helped the Rabbis confront the difficulties that arose when logical and interpretative problems appeared in scriptural and later rabbinic texts Given the Rabbis theological literary and rhetorical attitudes these reading strategies were adopted to obviate the problem the texts presented After all the Rabbis of different generations viewed these texts as revealed communications produced by a perfect Author Chernick analyzes and illustrates six midrashic hermeneutics in great detail outright midrashic resolutions of contradictions in Scripture distinguishing between what constitutes true scriptural proof and what is merely a support text a midrashic hermeneutic that transfers the rules of one rubric to another two hermeneutics that limit interpretive extensions of halakhot and the claim that two redundant pentateuchal rubrics are

needed to ward off incorrect analogies He highlights the significant changes that occurred in rabbinic legal hermeneutics from the tannaitic through post amoraic strata of rabbinic literature some 500 years at least and shows how these changes attest to the persistence continuity and centrality of hermenutic method to the rabbinic interpretive process Of particular significance is the connection Chernick makes between changes in hermeneutical practice and the changing revelatory status of the non Pentateuchal parts of the Hebrew Bible and rabbinic legal discourse His study draws its title from the traditional view of Sinaitic revelation when God spoke to the assembled people with a great voice that did not cease kol gadol velo yasaf Deut 5 19 This view Chernick believes is at the core of rabbinic Judaism the Judaism that claims to hear that great voice through the medium of interpretation **The Talmud: Tractate Ta'anit pt. 1-2** ,1989 The Talmud of the Land of Israel, Volume 1 ,1989 Publisher s description Edited by the acclaimed scholar Jacob Neusner this thirty five volume translation has been hailed by the Jewish Spectator as a project of immense benefit to students of rabbinic Judaism
