Target Mayflower:

Target Mayflower Richard Clark Hirschhorn,1977 Target Omega Peter Kirsanow,2017-05-16 A propulsive high stakes debut thriller where one extraordinary operator holds the key to saving the world from Armageddon All he needs to do is stay alive Buried deep in the US defense and special forces architecture is an elite ultra black unit created expressly to prevent weapons of mass destruction from falling into the hands of terrorists and rogue regimes Their covert surgical strikes eliminate grave threats so the rest of America can sleep without fear Until now After returning from a successful operation in Pakistan the entire team is assassinated within forty eight hours Only their leader Michael Garin survives As the sole survivor and chief suspect of the attack Garin finds himself on the run from Iranian intelligence operatives bent on tracking and killing him Even Garin s own government appears to have turned against him sending a lethal sniper from the vaunted Delta Force to eliminate the threat they think he s become With enemies coming at him from every direction Garin s fight for survival becomes part of a larger conspiracy unfolding on the world s stage a catastrophic attack precipitated by escalating tensions in the Middle East that will shift the balance of power and plunge the United States of America into oblivion **Hot Straight and Normal** Ron Martini,2001 Hot Straight and Normal is a submarine bibliography with over 6000 references to books videos articles and Internet sources It is designed to assist reseachers historians students teachers collectors and others with an interest in submarines their history construction and use in wars worldwide It s unique format of listing the books by title will assists the researcher and casual reader alike in finding or searching for familiar words and subjects Fiction book titles are also included Each listing contains title author date published publisher page count ISBN number and other informative descriptions if known This is the only submarine bibliography currently in publication The article index includes all articles in all issues of Naval Submarine League s Submarine Review and Naval Institute s Naval Proceedings magazine There are Web sites and other Internet sources listed and even information on obtaining more information through the Freedom of Information Act Also included is how to find materials inside government archives Collected and edited by a former U S submariner and member of U S Submarine Veterans Inc **Annual Report of Target Practice with Small Arms and 3-Inch Field Pieces and Boat Guns** United States. Navy Dept,1908 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1979 Litigating Morality Alice Fleetwood Bartee,Wayne C. Bartee,1992-02-20 This volume is a thematic study in legal history that uses past and present landmark court cases to analyze the legal and historical development of moral regulatory policies in America and resulting debates Using a critical variable approach the book demonstrates how different elements of the legal process have historically influenced the litigation of various moral issues Five moral policies are included abortion sodomy pornography criminal insanity and the death penalty The book s framework for analysis uses examples from English legal history and links them to American cases demonstrating how moral regulatory policies are impacted by the legal process by laws by judges and juries by legal scholars

and by attorneys Following a brief introduction Chapter 1 examines how protagonists in the bitter moral and legal controversy over abortion in America have sought to fortify their positions with the views of prominent English legal authorities The authors discuss the role of English legal scholars in court opinion and oral arguments in Webster and in Roe v Wade and debates Roe's interpretation of the English legalists Chapter 2 describes how attempts to expand a right of privacy under the federal Constitution to include sodomy failed the test for common law rights Rights of Englishmen in Bowers v Hardwick 1986 and includes a history of sodomy in early English and American law Chapter 3 discusses pornography standards and laws highlighting the history of legal actions taken against Memoirs of a Woman of Pleasure in both England and the U S demonstrating the role of precedent in American judicial efforts to define pornography In Chapter 4 which deals with the criminal insanity defense the influential role of the defense attorney on case outcomes is illustrated in cases such as England's McNaughton case 1843 and America's Hinckley case 1982 Chapter 5 deals with cruel and unusual punishment throughout U S and English history The book ends with an epilogue which ties together the idea of the American legal process as an inherited English process reiterating how decisionmakers continually mine the past to find traditions and sources of moral values for justifying or criticizing current laws and policies
