right trail insisted that they knew the way and so led on through a dismal forest along a winding game trail trodden deep by  
the feet of countless generations of the savage denizens of the jungle Here Tantor the elephant took his long way from dust  
wallow to water Here Buto the rhinoceros blundered blindly in his solitary majesty while by night the great cats paced  
silently upon their padded feet beneath the dense canopy of overreaching trees toward the broad plain beyond where they  
found their best hunting It was at the edge of this plain which came suddenly and unexpectedly before the eyes of the guides  
that their sad hearts beat with renewed hope Here the hauptmann drew a deep sigh of relief for after days of hopeless  
wandering through almost impenetrable jungle the broad vista of waving grasses dotted here and there with open park like  
woods and in the far distance the winding line of green shrubbery that denoted a river appeared to the European a veritable  
heaven The Hun smiled in his relief passed a cheery word with his lieutenant and then scanned the broad plain with his field

landscape and close to the green fringed contours of the river **Sequels** ,1967 *The English Catalogue of Books ...:*
