**Myths and Legends of the Eastern Front** Boris Sokolov,2020-01-19 This English translation of the original Russian work is thought provoking challenging the official version of what happened during World War II Firetrench The memory of the Second World War on the Eastern Front still referred to in modern Russia as the Great Patriotic War is an essential element of Russian identity and history as alive today as it was in Stalin s time It is represented as a defining episode a positive historical myth that sustains the Russian national idea and unites the majority of Russian citizens As a result as Boris Sokolov shows in this powerful and thought provoking study the heroic and tragic side of the war is highlighted while the dark side the incompetent negligent and even criminal way the war was run is overlooked Although almost eighty years have passed since the defeat of Nazi Germany he demonstrates that many of the fabrications put forward during the war and immediately afterwards persist into the present day In a sequence of incisive chapters he uncovers the truth about famous wartime episodes that have been consistently misrepresented His bold reinterpretation should go some way towards dispelling the enduring myths about the Great Patriotic War It is necessary reading for anyone who is keen to understand how it continues to be distorted in Russia today

**War and Memory in Russia, Ukraine and Belarus** Julie Fedor,Markku Kangaspuro,Jussi Lassila,Tatiana Zhurzhenko,2017-12-05 This edited collection contributes to the current

vivid multidisciplinary debate on East European memory politics and the post communist instrumentalization and re mythologization of World War II memories The book focuses on the three Slavic countries of post Soviet Eastern Europe Russia Ukraine and Belarus the epicentre of Soviet war suffering and the heartland of the Soviet war myth The collection gives insight into the persistence of the Soviet commemorative culture and the myth of the Great Patriotic War in the post Soviet space It also demonstrates that for geopolitical cultural and historical reasons the political uses of World War II differ significantly across Ukraine Russia and Belarus with important ramifications for future developments in the region and beyond The chapters Introduction War and Memory in Russia Ukraine and Belarus From the Trauma of Stalinism to the Triumph of Stalingrad The Toponymic Dispute over Volgograd and The Partisan Republic Colonial Myths and Memory Wars in Belarus are published open access under a CC BY 4 0 license at link springer com The chapter Memory Kinship and Mobilization of the Dead The Russian State and the Immortal Regiment Movement is published open access under a CC BY NC ND 4 0 license at link springer com

**From Conquest to Deportation** Jeronim Perovic,2018-06-01 This book is about a region on the fringes of empire which neither Tsarist Russia nor the Soviet Union nor in fact the Russian Federation ever really managed to control Starting with the nineteenth century it analyses the state's various strategies to establish its rule over populations highly resilient to change imposed from outside who frequently resorted to arms to resist interference in their religious practices and beliefs traditional customs and ways of life Jeronim Perovic offers a major contribution to our knowledge of the early Soviet era a crucial yet overlooked period in this region's troubled history During the 1920s and 1930s the various peoples of this predominantly Muslim region came into contact for the first time with a modernising state demanding not only unconditional loyalty but active participation in the project of socialist transformation Drawing on unpublished documents from Russian archives Perovic investigates the changes wrought by Russian policy and explains why from Moscow's perspective these modernization attempts failed ultimately prompting the Stalinist leadership to forcefully exile the Chechens and other North Caucasians to Central Asia in 1943 4

Stalin, the Russians, and Their War M. J. Broekmeyer,2004 Until the advent of glasnost began to lift censorship in the Soviet Union in the mid 1980s it was impossible for Russians in Russia to truthfully depict their own struggle against Nazi Germany Even before World War II was over the Soviet propaganda machine began to construct an official story through enormous sacrifice

the Soviet people had gloriously freed themselves and the world from fascism raising the hammer and sickle higher than ever on the ruins of Hitler's imperialist dreams In *Stalin the Russians and Their War* however Marius Broekmeyer presents the testimony of Russian participants eyewitnesses and historians of World War II to reveal not a heroic struggle but a war marred by catastrophes errors and lies These testimonies openly discuss subjects omitted from official Soviet propaganda or glossed over in popular Western histories of the Allied victory in WWII from purges within the Red Army and Soviet use of punitive brigades to the deployment of millions of poorly equipped soldiers to the front lines These are authentic and often shocking first hand accounts Such a vivid report on the day to day lives of Russian soldiers officers and citizens during World War II does not exist anywhere else in English

**The Lesser Terror** Michael Parrish, 1996-05-16 Ch 8 pp 197-214 *The Anti Semitic Campaigns* deals with NKVD MGB activities against Jews in the postwar period 1945-53 The Jewish victims were relatively more numerous during this period than during the prewar Great Terror 1934-40 Although most of the campaigns against various groups of Jews Jewish intelligentsia Jews in the army and Soviet apparatus Jewish wives of prominent party leaders the victims of the Doctors Plot etc were led by V Abakumov the Minister of State Security of the USSR and his henchmen it was Stalin who initiated them Neither Abakumov nor Beria the Minister of Interior were innate antisemites Stalin's antisemitism had complex motivations and was manifested even before the war Despite Stalin's antisemitism and the anti Jewish campaigns of 1946-53 many Jews retained their high positions in various spheres

**Marshal Malinovskii** Boris Vadimovich Sokolov, 2017 The prolific writer Boris Sokolov author of biographies of Georgii Zhukov and others returns with a new book on Rodion Yakovlevich Malinovskii 1898-1967 a Marshal of the Soviet Union and former Defence Minister who like so many of those who made their name during the Great Patriotic War joined the Tsarist Army at the outbreak of the First World War Unlike the others however his service took him to France as a member of the Russian Legion a move designed to show Russia's support for its French ally in the struggle against the Germans on the Western Front Despite the Bolshevik coup and Soviet Russia's withdrawal from the war Malinovskii elected to remain in France and serve with the French Army until the Armistice after which he made his way back to Russia where he joined the Red Army in the waning days of the Civil War The young Malinovskii chose to remain in the army and rose steadily through its ranks He was later sent to Spain as a Military Advisor to the Spanish Republic during that country's Civil War This fortuitous posting not only allowed Malinovskii to gain valuable combat experience but also kept him out of the country at a time when Stalin's military purge was gutting the Armed Forces However it is Malinovskii's service during the Great Patriotic War that constitutes the heart of this book Sokolov traces his subject's rise from corps to army commander and finally to the command of various fronts During 1943-1944 the forces under Malinovskii's command played a major role in expelling the Germans from the Donets Basin Southern Ukraine

Romania Hungary Austria and Czechoslovakia Following the defeat of Germany Malinovskii was assigned to command the Main Front in the brief war against Japan and remained as Commander in Chief of Soviet forces in the Far East for several years He was summoned back to Moscow as Deputy Defence Minister and later took an active part in the removal of his boss Georgii Zhukov whom he replaced in 1957 It was under his decade long tenure that the Soviet Armed Forces made the transition to a truly modern force and changed the country s status from that of a regional power to superpower
