Wagner And Russia:

Wagner and Russia Rosamund Bartlett,1995-02-02 This book explores the influence of the composer Richard Wagner on Russian writers musicians and artists

The Wagner Group Jack Margolin,2024-10-25 An eye opening terrifying history of this notorious and widely influential mercenary group This book exposes the history and the future of the Wagner Group Russia s notorious and secretive mercenary army revealing details of their operations never documented before Using extensive leaks first hand accounts and the byzantine paper trail left in the group s wake Jack Margolin traces the Wagner Group from its roots as a battlefield rumor to a private military enterprise tens of thousands strong that eventually comes to threaten Putin himself He follows individual commanders and foot soldiers within the group as they fight in Ukraine Syria and Africa sometimes alongside fellow military contractors from the United Kingdom and the United States He shows Wagner mercenaries committing atrocities plundering oil diamonds and gold and changing the course of conflicts from Europe to Africa in the name of the Kremlin s strategic aims In documenting the Wagner Group s story up to the dramatic demise of its chief director Evgeniy Prigozhin Margolin demonstrates that Wagner was not an aberration but a manifestation of the new geopolitical order of global capital global crime and of the entrepreneurs that thrive in it

Assessing Russia's Actions in Ukraine and Syria, 2014-2022 John A. Pennell,2024-09-11 Russia s actions in Syria and Ukraine during 2014 and 2022 reveal more continuity than change and more evolution than revolution in warfare These actions mostly reflect what the Kremlin perceives as changes in strategic and technological contexts which impacts who fights wars and how wars are fought

Mercenaries and Security Contractors in the 21st Century Eugenio Cusumano,Christopher Kinsey,Robert Parr,2025-03-31 This book examines the debate over private security contractors using historical and contemporary cases including several non Western examples Since the end of the Cold War security privatization has grown in its geographical outreach breadth and scope This pervasive expansion of the private military and security market warrants a systematic investigation of commercial actors involvement in the variety of tasks associated with the provision of violence ranging from combat to vessel protection and cybersecurity Combining theoretical and empirical approaches the essays in this volume provide a historical investigation into private force that extends beyond Europe and the United States By focusing on recent developments such as the extensive involvement of Russian mercenaries in Ukraine new evidence from the Global South and the added historical depth given to the study of commercial providers of warfare this volume questions the endurance of norms like the mercenary taboo and the state monopoly of violence In doing so it sheds new light on the past present and future of private security This book will be of much interest to students of private security studies military studies security studies and international relations
