Imagine that If a person were to save everything for that one special person knowing that he or she had done likewise that would be a marriage built upon a firm foundation This very possibility is what this book is all about He encourages people to live God s way that will bring peace joy and order to their life The price of finding it will never compare to what you get in return

The 411 on Waiting and Dating LaToya Michelle,2014-02-03 Why should I wait What s the point of abstaining from sex The reality is that waiting can be difficult In a society where sex seems to be no big deal and dating a number of people simultaneously is the norm and not the exception many people struggle to see the point in abstaining from intercourse As a young woman who has been in relationships and chosen to wait has dealt with self esteem issues and has questioned herself why waiting matters author LaToya Michelle understands what many women contend with as they entertain the idea of getting into relationships and deciding on the subject of physical intimacy *The 411 on Waiting and Dating* gets to the heart of the matter by encouraging you to see your worth and to know that your value isn t measured by whether or not you re in a relationship or by how other people view you but by how you see yourself In a simple but powerful way it explores with you the reasons why you re so special and discusses why as a result giving away something as valuable as your mind body and emotions is indeed a very big deal With topics ranging from relationships and personal boundaries to confidence and how why you dress matters the underlying theme in each chapter is centered on getting you to see yourself as the jewel that you are and to know without compromise that you re definitely worth the wait
