Waiting Games

Joseph Harrington

Waiting Games:

Sociology of Waiting Paul Christopher Price, 2021-05-04 In *Sociology of Waiting* Paul Christopher Price investigates how people wait and analyzes what individuals do while waiting. It is a key feature within U.S. and other societies; waiting is universal. Sociologically, waiting gets at order and our ability or inability to pause. Crowds cannot rush into concert venues and supermarket clerks cannot check out customers simultaneously. So we must wait. In all our waiting, we've developed strategies and structures for delays, and such methods and structures provide order as well as understanding; we recognize why we wait. The sociology of waiting is a classic piece of everyday sociology, a timeless piece of routine behavior. Waiting is as natural as breathing, eating, and drinking; indeed, mothers wait nine months before infants are brought to term, and summer will always follow spring. Waiting provides its own lessons: That is, watching cars weave through traffic and receive citations by police, we learn that waiting may have saved time and money. Shining the light on waiting permits a far superior understanding of order and how our society organizes itself around taking turns. Waiting is a matter that takes up much of our valuable time and resources; consequently, reducing wait time has become big business.

Games, Strategies and Decision Making Joseph Harrington, 2009-03-15

Building Executive Function Skills: 50 Fun Activities for Kids to Improve Planning and Self-Regulation Summer Murray, 2025-04-10 In a world where children face increasing demands on their attention and self-control, helping them develop executive function skills is more important than ever. These skills, which include planning, organizing, and regulating behavior, are crucial for success in school and life. This book provides a treasure trove of activities designed to make the development of these skills enjoyable and effective for kids. Through play and interaction, children can strengthen their ability to focus, manage their emotions, and tackle tasks with confidence. The activities in this book are crafted to be fun and engaging, ensuring that children remain interested and motivated. From creative games that enhance focus to role-playing scenarios that build problem-solving abilities, each activity is designed with both enjoyment and learning in mind. Parents and educators will find these exercises easy to implement, requiring minimal preparation and resources. The variety of activities ensures that there is something for every child, regardless of their interests or developmental stage. Addressing the challenge of developing executive function skills in children, this book offers practical solutions for common issues such as lack of focus, difficulty in following instructions, and trouble with emotional regulation.

Poker Tournament Formula Arnold Snyder, This is the first book to provide winning strategies for the small buy-in 100 or less no-limit hold'em tournaments that have exploded in poker rooms all over the country and on the Internet. The strategies for small buy-in no-limit hold'em tournaments are similar to the big money games, but the important factors—hand value, position, aggression, and others—and speed of play cause a radical change of strategy. Snyder recounts his own experience with these methods at a win rate of almost 300% and gives readers specific strategies for winning the big money available in prizes at the hundreds of small buy-in no-limit hold'em tournaments taking place weekly around the country and

on the Internet *Nanotechnology and Its Governance* Arie Rip,2019-05-28 This book charts the development of nanotechnology in relation to society from the early years of the twenty first century It offers a sustained analysis of the life of nanotechnology from the laboratory to society from scientific promises to societal governance and attempts to modulate developments The Chess Amateur ,1907 **Touching Second** Johnny Evers,Hugh Stuart Fullerton,1910 The Brown Alumni Monthly ,1916 *Match Play and the Spin of the Ball* William Tatem Tilden,1925 **Games and Recreational Methods for Clubs, Camps and Scouts** Charles Frederick Smith,1924 Athletic Journal ,1929 Vols 9 10 include proceedings of the 8th 11th annual meeting of the American Football Coaches Association and of the 3d 6th annual meeting of the National Association of the Basketball Coaches of the United States American Lawn Tennis ,1928 **The Journal** Worcester Polytechnic Institute,1927 **The Journal of the Worcester Polytechnic Institute** ,1927 **The Round Table** ,1914 **Stephenson County Farm Monthly** ,1922 Five Years' Penal Servitude William Hamilton Thomson,1878 **The Successful Salesman** Frank Farrington,1918 Five Years' Penal Servitude ,1877 Wallace's Monthly ,1892
