Wake Up Call Glen Gutek, 2015-04-01 This book gives the right perspective to positively handle negative or unfamiliar circumstances that life invariably brings The key is to reframe these negative or surprising events in your life with the right perspective How you interpret these events and the actions that come out of them say more about you than they do the events This book looks at seven of the most common wake up calls of life that business people face Gaining a new Insight Expected Success Money Problems Failure business or personal Loss Change Belief spiritual world view Each of these whether occurring in business or personal life is an opportunity for the reader to convert an experience into personal growth and higher productivity within his or her business

Wake-up Calls Will Davis, Jr., 2005-04 I don't know about you but I need all the help I can get when it comes to spiritually jump starting my day Some days I get up and it is all I can do to concentrate on a few verses of Scripture Other days I feel tempted to blow off my twenty minutes of reading because I'm anxious that I have too much to do On such days I have found it helpful to have a source to direct my thoughts toward God I need a tool to help me rouse my weary spirit and prepare to take on yet another day of kingdom building In short I need a wake up call Do you So writes Will Davis Jr in *Wake Up Calls* *Wake Up Calls* helps bleary eyed Christians to better see God's kingdom It deals practically with such topics as temptation sin prayer relationships suffering conflict death and obedience with honesty and in your face clarity If you need a blast of kingdom reality that cuts through the morning's spiritual fog then *Wake Up Calls* is for you
