## **Waking Up Alive:**

Waking Up, Alive Richard A. Heckler, 1996 Sometimes I feel like crying but the tears just don't come I had no idea there was a state of mind like this Everything turned black It was a zombie place where I just couldn't be a part of anything These are the words of survivors who have lived through one of the most insidious conditions of our time the desire to die Five million Americans have attempted suicide Every seventeen minutes one of them succeeds And the numbers continue to grow Through fifty startling interviews with suicide survivors of all ages and backgrounds psychologist Richard A Heckler takes us into the very heart of despair documenting the varied paths that lead to that crucial place where one's world seems to stretch tear and then break apart In these intimate accounts we begin to understand the determination and clarity of that fatal choice But after the failed attempt healing is possible For the first time with great care and penetrating insight Heckler traces the heroic patterns of recovery By offering clear profound portraits of hope this extraordinary and unprecedented book attests to the resilience of the human spirit by bearing witness to those who stood at death's door and found the courage to live It's hard to imagine a hopeful or inspiring book on suicide until you begin reading the astonishing Waking Up Alive San Francisco Chronicle In this sensitive book Richard Heckler brings compassionate light to a shadowy corner of our psyche Ram Dass Author of Journey of Awakening These moving accounts written with a great heart of compassion have a deeply healing effect on the ocean of human tears This is a wise and ultimately life affirming work Jack Kornfield Ph D Author of A Path With Heart *The Day I Killed James* Catherine Ryan Hyde, 2010 Seventeen year old Theresa tries to get past the guilt she feels over the death of a neighbor who loved her first through a journal her therapist tells her to keep then by transforming herself and starting a new life **Weekly World News**, 2003-05-20 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site To Begin Again Naomi Levy, 1999-09-07 Words that come from the heart enter the heart an ancient rabbinic proverb instructs us The words in this book come from the heart mine and the hearts of others I pray that you will find within them a spark that will ignite the flame of hope and the passion for healing that lies within us all Naomi Levy was a spirited fifteen year old when her father was murdered in a senseless holdup that destroyed not only his life but her trust in a loving God Healing took a long time yet from her struggles with grief anger and depression she forged the wisdom that made her at twenty six a beloved rabbi and now makes her book a miracle of honesty recovery and compassion Where do we find the strength to meet tragedy Can we rekindle hope Innocence Faith The answers illustrated with many moving true stories drawn from Rabbi Levy's experience and the lives of her congregants provide sanity peace and a safe harbor where we can heal and grow Remember Death is a great tragedy But to die while we are still living that is the greatest tragedy of all *Shadows and Survival: Living with Bipolar and Surviving Suicide* Janelle Hutchinson, 2026-01-24 *Shadows and Survival Living with Bipolar and Surviving Suicide* is a raw memoir of

living between the extremes of bipolar disorder and the quiet cumulative pain that led to a suicide attempt From childhood through adulthood the author struggled with intense manic highs and debilitating depressive lows often misunderstood mislabeled and overwhelmed by shame Parenthood brought love and purpose but also deepened her guilt as bipolar depression convinced her she was a burden to those she loved most The attempt was not caused by one moment of crisis but by years of exhaustion isolation and the belief that ending her life was the only way to stop the pain Surviving left her confused ashamed and questioning her worth yet forced her to confront the illness she had spent a lifetime fighting in silence Recovery unfolded slowly and unevenly through inpatient care therapy psychiatric treatment and a partial hospitalization program Along the way she faced the emotional aftermath with her family learned to advocate for herself in treatment and reclaimed her voice after years of feeling powerless Rather than returning to who she was before she began building a new identity rooted in honesty boundaries and meaning Her survival became a turning point transforming pain into purpose and inspiring her to pursue becoming a counselor so she could help others feel heard understood and less alone The story ultimately affirms that healing is not linear survival is an act of courage and even after the darkest moments a life can still hold meaning and hope
