 Weiner, 2010-11-15 Steve Weiner's harrowing portrayal of post Thatcher England follows a man of no known origin and
 unstable personality and his efforts to re enter society after a long and unexplained absence The reader sees events through
 Jack's mostly uncomprehending eyes as he negotiates the margins of a London that resembles the city of memory and story
 only in incidental details Replete with episodes of manic religion and delusions the world in Sweet England is hard dark and
 dangerous Exploitation and violence provide a steady background glow that illuminates Jack's relationship with Brenda with
