Esme Winter-Froemel

Word Play:

Poetry, Word-Play, and Word-War in Wallace Stevens Eleanor Cook, 2014-07-14 In the first full length study of Wallace Stevens's word play Eleanor Cook focuses on Stevens's skillful play with grammar etymology allusion and other elements of poetry and suggests ways in which this play offers a method of approaching his work At the same time this book is a general study of Stevens's poetry moving from his earliest to his latest work and includes close readings of three of his remarkable long poems *Esthetique du Mal* *Notes toward a Supreme Fiction* and *An Ordinary Evening* in New Haven The chronological arrangement enables readers to follow Stevens's increasing skill and changing thought in three areas of his poetry of the earth the poetry of place the poetry of eros and the poetry of belief *Poetry Word Play and Word War in Wallace Stevens* shows how in setting words at play and in conflict Stevens could upset the usual relations of rhetoric grammar and dialectic and thus the book contributes to the current debate about logical and a logical uses of language Cook also places Stevens within the larger context of Western literature hearing how he speaks to Milton Keats and Wordsworth to such American forebears as Whitman Emerson and Dickinson and to T S Eliot his contemporary Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Wordplay Wonders Grace Morgan, AI, 2025-03-29 *Wordplay Wonders* explores the captivating world of puns jokes and linguistic humor revealing the art and science behind crafting clever language This comprehensive reference delves into how wordplay including semantic ambiguity and phonetic similarity has been used throughout history as entertainment and social commentary For example Shakespearean jesters used puns to comment on political affairs illustrating wordplay's power beyond mere amusement The book uniquely combines linguistic analysis with cultural and psychological insights guiding readers from core concepts to diverse applications in literature advertising and daily conversation It progresses through chapters examining techniques like syntactic manipulation and their cognitive impact highlighting how understanding wordplay enhances communication skills and appreciation for language's playful side

Hebrew Wordplay and Septuagint Translation Technique in the Fourth Book of the Psalter Elizabeth H. P. Backfish, 2019-07-25 This volume examines numerous Hebrew wordplays not identified and discussed in previous research and the technique of the Septuagint translators by offering another criterion of evaluation essentially their concern about the style of translating Hebrew into Greek Elizabeth Backfish's study analyzes seventy four wordplays employed by the Hebrew poets of Psalms 90 106 and how the Septuagint renders Hebrew wordplay in Greek Backfish estimates that the Septuagint translators were able to render 31% of the Hebrew semantic and phonetic wordplays twenty four total most of which

required some sort of transformation or change to the text in order to function in Greek After providing a thorough summary of research methods on wordplay definitions and research methodology Backfish summarizes all examples of wordplay within the Fourth Psalter and concludes with examples of the wordplay s replication similar rendition or textual variation in the Septuagint Emphasising the creativity and ingenuity of the Septuagint translators work in passages that commentators often too quickly identify as the results of scribal error or a variant Vorlage from the Masoretic text Backfish shows how the aptitude and flexibility displayed in the translation technique also contributes to conversations in modern translation studies

Wordplay and Exclusion Esme Winter-Froemel,2025-11-17 This volume focuses on serious aspects of wordplay related to phenomena of exclusion complementing previous research where its funny and innocent dimension has been foregrounded Wordplay is not only an essential means of bonding people and reinforcing group identities but it can also serve to exclude others This function of exclusion is often a key part of the communicative game at play The papers in this volume written by authors from a variety of countries explore types and functions of exclusive wordplay and its inherently multi addressed nature across different languages cultures and historical periods

Wordplay and Metalinguistic / Metadiscursive Reflection Angelika Zirker,Esme Winter-Froemel,2015-10-16 Wordplay can be seen as a genuine interface phenomenon It can be found both in everyday communication and in literary texts and it can fulfil a range of functions it may be entertaining and comical it may be used to conceal taboo and it may influence the way in which the speaker s character is perceived Moreover wordplay also reflects on language and communication it reveals surprising alternative readings and emphasizes the phonetic similarity of linguistic signs that also points towards relations on the level of content Wordplay unravels characteristics of literary language in everyday communication and opens up the possibility to analyze literary texts from a linguistic perspective The first two volumes of the series The Dynamics of Wordplay therefore aim at bringing together contributions from linguistics and literary studies focusing on theoretical issues such as basic techniques of wordplay and its relationship to genres and discourse traditions These issues are complemented by a series of case studies on the use of wordplay in individual authors and specific historical contexts The contributions offer a fresh look on the multifaceted dynamics of wordplay in different communicative settings

Cultures and Traditions of Wordplay and Wordplay Research Esme Winter-Froemel,Verena Thaler,2018-10-22 This volume focuses on realisations of wordplay in different cultures and social and historical contexts and brings together various research traditions of approaching wordplay Together with the volume DWP 7 it assembles selected papers presented at the interdisciplinary conference The Dynamics of Wordplay La dynamique du jeu de mots Trier 2016 and stresses the inherent dynamicity of wordplay and wordplay research
