Words Become Worlds:

Words become Worlds Ellen van Wolde,2021-08-30 By carefully analyzing the text semantic features of the texts of Genesis 1 11 this book offers a quite new perspective on the primaeval history The first part of the book examines Genesis 1 11 which is usually read as a creation story concerning the human being in relation to God in which the human being falls from bad to worse In these text semantic studies it is shown that such is not the case especially in the rather exciting analysis of the story of the Tower of Babel In the second part of the book the methodological framework of these text semantic studies is presented
