Work Trap:

My Job, My Self Al Gini, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

Rats and How to Destroy Them (Traps and Trapping Series - Vermin & Pest Control) Mark Hovell, 2013-04-18 Originally published in 1924 this rare early work on rats and their control is both expensive and hard to find in its first edition READ COUNTRY BOOKS has republished it in an affordable high quality modern edition using the original text and artwork The author was an expert and dedicated destroyer of rats who also invented the Terrier Death Run Rat Trap and the Blocking Trap He was persuaded to write this fascinating book after fighting a memorable battle in ridding a friend's house and farm of a long established and numerous rat colony Utilising his vast knowledge of the Brown and the Black Rat and his many years of practical experience in their destruction he penned this the most comprehensive of all books ever published on this particular subject Over five hundred pages contain forty eight detailed chapters including Habits and Natural History of the Rat Traps Type and Use Signals Trapping Methods Snaring Ferrets and Ferreting The Mongoose Dogs Trailing Poisoning Virus Blocking Flooding Fumigation Varnish and Rat Lime Trap The Rodier System How to Deal with Rats in the House Shop Outbuildings Yards Stables Cow Houses Fowl Pens Pig Sties Gardens Greenhouses Rivers and Ships Rats on Shooting Estates and Farms Sewers Notes on Plague Cancer in Rats etc etc There are also chapters on the control of mice cockroaches and sparrows with extra detailed chapters on traps and their design Over fifty text illustrations are included detailing trap design and usage etc Also retained are several pages of vintage advertisements for rat traps poisons baits books etc This is a fascinating read for anyone interested in the countryside rural conservation pest control game keeping etc with much of the historical information remaining useful and practical today Many of the earliest sporting books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive READ COUNTRY BOOKS are republishing many of these classic works in affordable high quality modern editions using the original text and artwork *Standard Practical Plumbing* Philip John Davies, 1889 Water & Sewage Works, 1902 Vols 76 83 93 include Reference and data section for 1929 1936 46 1929 called Water works and sewerage data section Create Your Successful Agile Project Johanna Rothman, 2017-10-18 You think agile techniques might be for you but your projects and organization are unique An out of the box agile approach won't work Instead unite agile and lean principles for your project See how to design a IPS approach reap the benefits of collaboration and deliver value For project managers who want to use agile techniques managers who want to start and technical leaders who want to know more and succeed this book is your first step toward agile project success You've tried to use an off the shelf approach to agile techniques and it's not working Instead of a standard method or framework work from agile and lean principles to design your own agile approach in a way that works for you Build collaborative cross functional teams See how small batch sizes and frequent delivery create an environment of trust and transparency between the team management and IPSers Learn about the interpersonal skills that help agile teams

work together so well In addition to seeing work and knowing what done means you ll see examples of many possible team based measurements Look at tools you can use for status reporting and how to use those measurements to help your managers understand what agile techniques buy them Recognize the traps that prevent agile principles from working in too many organizations and what to do about those traps Use agile techniques for workgroups and see what managers can do to create and nurture an agile culture You might be surprised at how few meetings and rituals you need to still work in an agile way Johanna s signature frankness and humor will get you on the right track to design your agile project to succeed What You Need No technical expertise or experience needed just a desire to know more about how you might use agile in your project
