Professor Haitham Nobanee

Abstract

This research paper is a comparative study that provides an in-depth financial analysis of the two industry leaders in the beverage industry: The Coca-Cola Company and PepsiCo. The data for this study was taken from the financial statements published on Yahoo Finance. The relevant data was then used to compute, present and discuss the relevant financial ratios for the working capital management, liquidity, profitability, leverage, and cash flows of the two aforementioned companies and compares them to arrive at an accurate conclusion regarding their financial performance over the last four years.

Keywords: *working capital management, liquidity, profitability, leverage, cash flows.*
