Working Cowboy Ray Holmes, Margot Liberty, Barry Head, 2002-10-01 In Working Cowboy Margot Liberty and Barry Head present the oral history of Ray Holmes a Wyoming cowboy born in 1911 Holmes has spent his life on horseback herding

cattle and doing other work with livestock Since the time he rode his first horse Holmes wanted nothing more than to be a cowboy though his father insisted he would never make a living at it The determination that started him on his dream has stayed with him throughout his life Holmes remains a quiet man averse to bragging but is candid and strongly opinionated Practical chapters such as Some Talk about Cowboys and Some Talk about Calves and Calving alternate with chapters describing Holmes s colorful life including his coping with the blizzard of 1959 listening to the very first radio in the neighborhood and sleeping with potatoes to keep them from freezing *The World's Work* ,1925 **Last of a Breed** Martin H. Schreiber,1984 *New Westers* Michael L. Johnson,1996 These New Westers Johnson reveals line dance and two step listen to Garth Brooks and George Strait drink beer from long neck bottles wear clothes ordered from Sheplers watch rodeo on ESPN play Wild West arcade games eat fajitas and tacos in stuccoed Mexican cafes collect Western art and Native American crafts and vacation in and move to the West New Westers rewrite the history and biography of the West They reimagine the West in Cowboy sagas and poetry Native American novels Mexican American drama nature writing revisionist films eclectic visual artwork and neo traditional music They flock to movies like *Thelma and Louise* *Unforgiven* and *Dances with Wolves* watch mini series like *Lonesome Dove* and read bestsellers like *The Crossing* and *All The Pretty Horses* New Westers are men and women who may or may not have ever hitched up a horse but who crave connection with the West At the end of a century of urbanization technological change and cultural confusion they seek a more natural home a fuller and wider sense of place and a deeper and more colorful personal identity They also want to revive the dream of the mythic West but on different terms They overrun the Old West and yet strive to preserve it raising troubling new concerns about the differences between the mythic and the real between traditional and contemporary cultural influences Rodeo Cowboys in the North American Imagination Michael Allen,1998 In this study historian Michael Allen examines the image of the rodeo cowboy and the role this image has played in popular culture over in the 20th century He sees rodeo as a significant American folk festival and the rodeo cowboy as the surviving avatar of a nearly vanished authentic figure the real cowboy who embodies the skills and values of traditional western rural culture Allen s provocative analysis explores the evolution of the myth of the rodeo man and its subsequent institutionalization and acculturation into the media of popular culture He discovers that America s fascination with the rodeo cowboy reflects feelings far deeper and more complex than a taste for exciting entertainment This popular culture hero survives in our national imagination as a kind of living contemporary ancestor linking a largely urban population with its rural past and recalling the values and spirit of a time and region that most Americans perceive as somehow purer freer and more noble Allen s discussion of the archetypal figure of the rodeo cowboy aims to change perceptions of rodeo but it will also help the reader to understand how the ancient tension between frontier and civilization continues to play a role in national imagination of the USA The American Cowboy Lonnn Taylor,Ingrid Maar,1983
