World Series The Statistical Record:

The World Series Harold R. Paretchan,1974-01-01 World's Series Records ... ,1954 Anthology of Statistics in Sports Jim Albert,Jay Bennett,James J. Cochran,2005-01-01 The unlikely worlds of sports fans and statisticians collide in this interesting and accessible collection of previously published articles on the use of statistics to analyze sports which the editors have thoughtfully culled from a variety of American Statistical Association ASA publications Heavily weighted in the areas of competition rating players and teams evaluating strategies for victory the articles vary in mathematical complexity but most will be accessible to readers with a general knowledge of statistics Newly written material from the editors and other notable contributors introduces each section of the book and a chapter with suggestions on using the articles in the classroom is included Organized by sport to make it easy for readers to find the papers in their particular areas of interest Anthology of Statistics in Sports contains separate sections devoted to the major North American team sports of baseball football basketball and ice hockey Two additional sections cover miscellaneous sports and more general issues related to sports and statistics This book grew from the efforts of members of the ASA Section on Statistics in Sports which is dedicated to promoting high professional standards in the application of statistics to sports and fostering statistical education in sports

Statistics for Political Analysis Theresa Marchant-Shapiro,2014-01-15 Statistics are just as vital to understanding political science as the study of institutions but getting students to understand them when teaching a methods course can be a big challenge Statistics for Political Analysis makes understanding the numbers easy The only introduction to statistics book written specifically for political science undergraduates this book explains each statistical concept in plain language from basic univariate statistics and the basic measures of association to bivariate and multivariate regression and uses real world political examples Students learn the relevance of statistics to political science how to understand and calculate statistics mathematically and how to obtain them using SPSS All calculations are modeled step by step giving students needed practice to master the process without making it intimidating Each chapter concludes with exercises that get students actively applying the steps and building their professional skills through data calculation analysis and memo writing A History of Cuban Baseball, 1864-2006 Peter C. Bjarkman,2014-06-17 When Cuba met Japan in the finals of Major League Baseball s 2006 World Baseball Classic WBC many among the international audience were shocked that a purported amateur team could challenge for the sport s first true world championship But those who had paid attention to international tournaments were hardly surprised by Cuba s strong showing against all star teams of Puerto Rican Dominican Venezuelan and U S major leaguers The undisputed champions of global baseball Cuba had reigned supreme for better than a half century at the avowed American national game In this groundbreaking volume Peter Bjarkman traces the full arc of island baseball history from the pioneering era of integrated play in the winter leagues across the many triumphs of the post revolution decades and up through Cuba s initial WBC triumphs So You Think You're a Chicago Cubs Fan?
