

# Stanford White

**John H. Dryfhout**

## Stanford White:

**Stanford White's New York** David Lowe,1992 With his magnificent buildings and exquisite interiors Stanford White established New York as one of the grandest cities on earth This beautiful volume combines lively informative text with 150 black and white photos to create a fascinating evocation of White s life and times that examines the influences development and impact of his great masterpieces *The Architects: Stanford White* Richard F. Snow,2018-09-19 As colorful as the buildings he designed Stanford White infused the architectural scene of the late nineteenth and early twentieth centuries with his flamboyant American Renaissance style From private homes to public institutions and religious structures White s inimitable imprint can be seen in buildings throughout New York and the Eastern shore Here in this short form book is White s dramatic and surprising story *Stanford White, Architect* Samuel G. White,Elizabeth White,2008 Stanford White 1853 1906 arguably the most celebrated American architect of his day was the visionary genius of the illustrious architecture firm McKim Mead White A defining figure of the Gilded Age White lived an extravagant life which ended prematurely in a sensational death His celebrity as a result was such that perceptions of the man have to some degree distracted attention from an extraordinary body of work Now more than a century since his passing the enduring quality of White s architectural legacy becomes ever more apparent as the circumstances of his life and death fade to the background In acknowledgment of this legacy Stanford White Architect comprehensively explores White s sumptuously rich oeuvre from the residences he designed for himself and his wife Bessie to the extraordinary and opulent houses he designed for others to those works beyond the residential Stanford White Architect will serve for generations to come as a vivid testament to a resplendent life in architecture From book jacket [Stanford White](#) Charles C. Baldwin,2012-12-06 Richard Harding Davis used to complain because when speaking of Stanford White he found it necessary to explain what White was not before telling what he was the greatest designer and probably the greatest architect this country has ever produced Had White died in bed with his family and his friends about him there would have been no word of dispraise He stood at the head of his profession he was not yet fifty three great things were expected of him But he allowed himself to be murdered on a roof garden by a Pittsburgh ne er do well Now murder as every newsboy knows is the greatest word that can be put into a headline Even in small type it sells And shouted from every street corner The newspapers made the most of White s murder Thaw the murderer stayed on the front pages from June 25 to July 13 1906 returning on January 23 1907 the first day of his first trial He was pictured as in some sort a hero the defender of his home White was the villain of the piece Davis speaking as one who had been for fifteen years in the newspaper business said ttl have never known an attack to be made upon anyone as undeserved as unfair as false as the attack upon White In their search for motives in their eagerness for circu lation in their shameless greed the newspapers despatched detectives and reporters to interview valets and chorus girls bell boys and waiters *The Architect of Desire* Suzannah Lessard,2013-01-23 The story of Stanford White his scandalous affair with the 16 year old actress Evelyn

Nesbit his murder in 1906 by her husband the millionaire Harry K Thaw and the hailstorm of publicity that surrounded the trial of the century has proven irresistible to generations of novelists historians and biographers The premier neoclassical architect of his day White s legacy to the world were such masterpieces as New York s original Madison Square Garden the Washington Square Arch and the Players Metropolitan and Colony clubs He was also responsible for the palaces of such clients as the Whitneys Vanderbilts and Pulitzers the robber barons of the Gilded Age whose power and dominance shaped the nation in its heady ascent at the turn of the century As the century rolled on however the story of Stanford White and Evelyn Nesbit came to be viewed as glamorous and romantic the darker narrative of White s out of control sexual compulsion obscured by time Indeed White s wife Bessie and his son Larry remained adamantly silent about the matter for the duration of their lives a silence that reverberated through the next four generations of their extended family Suzannah Lessard is the eldest of Stanford White s great grandchildren It was only in her 30 s that she began to sense the parallels between the silence about her great grandfather s life and the silence about her own perilous experience as a little girl in her own home Thus she became drawn to the remarkable history of her family in order to uncover its hidden truths and in so doing to liberate herself from its enclosure at last The result is a multi layered memoir of astonishing elegance and power one that like a great building is illumined room by room chapter by chapter until the whole is clearly seen *Stanford White in Detail* Samuel G. White,2020-10-13 A rich presentation of the sensual and scenographic effects created by the legendary Stanford White whose designs extend beyond architecture to encompass lavish interiors jewelry furniture gilded frames and ceremonial events Once proposed as the Commissioner of Beauty for New York City Stanford White was a master of architecture interior design and ornament fearlessly juxtaposing materials and objects from myriad cultures and times Drawing on precedents from antiquity and the Renaissance from Asia the Middle East and Europe as well as Colonial America White created complex surfaces inside and out Stanford White in Detail examines this innovative and intricate web through lush tightly framed vignettes of carved wood and marble metalwork mosaic and tile as well as generous overall room views to demonstrate how these are woven together for a unique effect **Gilded Mansions** Wayne Craven,2009 The Gilded Age 1865 1918 saw the sudden rise of America s first High Society including such prominent families as the Astors Whitneys and Vanderbilts As an aristocracy based on fortunes recently acquired these families endeavored to live like Europe s blue blooded nobility shedding Puritan restraint as they joyously flaunted their new wealth especially where their homes were concerned They erected French chateaus and Italian palazzos on New York s Fifth Avenue at Newport and elsewhere often taking inspiration from Parisian styles of the Second Empire They rejected more modest American styles just as they rejected middle class society and for interior decoration they turned to such artisans as Tiffany Herter Brothers and Allard s of Paris Immensely readable and illuminated with 250 stunning color and black and white illustrations this is the fascinating story of America s first millionaire society the way they lived and partied and the lush artistic and cultural legacy they

established **The Murder of Stanford White** Dr. Gerald Langford,2018-02-27 Evelyn Nesbit was a popular American chorus girl an artists model and an actress In the early part of the Twentieth century the figure and face of Evelyn Nesbit were everywhere appearing in mass circulation newspaper and magazine advertisements on souvenir items and calendars making her a cultural celebrity But it was on the evening of June 25 1906 that she gained worldwide notoriety when her husband multi millionaire Harry Kendall Thaw shot and murdered architect and New York socialite Stanford White on the rooftop theatre of Madison Square Garden leading to what the press would call The Trial of the Century The Harry K Thaw Evelyn Nesbit Stanford White story remains one of the great crime sensations of the Twentieth Century Stanford White an enormously rich man of high social position and supposedly blameless reputation nevertheless led a private life that was at variance with his public reputation His lavish stag dinner parties were well known and later played an important part in the famous murder trial A gripping read *Stanny* Paul R. Baker,1989 Baker working with previously unpublished materials breathes new life into this legendary man who dominated American architecture at the turn of the twentieth century and gained infamy in the sensational manner of his death and the subsequent trial of his murderer 50 black and white photos

**American Eve** Paula Uruburu,2008-05-01 The scandalous story of America s first supermodel sex goddess and modern celebrity Evelyn Nesbit By the time of her sixteenth birthday in 1900 Evelyn Nesbit was known to millions as the most photographed woman of her era an iconic figure who set the standard for female beauty and whose innocent sexuality was used to sell everything from chocolates to perfume Women wanted to be her Men just wanted her But when Evelyn s life of fantasy became all too real and her insanely jealous millionaire husband Harry K Thaw murdered her lover New York City architect Stanford White the most famous woman in the world became infamous as she found herself at the center of the Crime of the Century and a scandal that signaled the beginning of a national obsession with youth beauty celebrity and sex

**The Work of Augustus Saint-Gaudens** John H. Dryfhout,2008 Updated catalogue raisonné of one of the most important figures in American sculpture The Gilded Edge Eli Wilner,2000 Consider the frame as a work of art itself This in depth examination of the beauty and diversity of antique American frames is comprised of diverse essays by curators scholars artists and art lovers The craft of matching frame to work is beautifully illustrated in the 150 images **Evelyn Nesbit and Stanford White** Michael Macdonald Mooney,1976 Stanford White Wayne Craven,2005-05-18 The designer of such landmarks as the Washington Square Arch the New York Herald and Tiffany Buildings and the homes of captains of American industry Stanford White is a legendary figure in the history of American architecture Yet while the exteriors and floor plans of his designs have been extensively studied and written about no book has fully examined the other aspect of his career which claimed at least half of his time and creativity Wayne Craven s work offers the first study of Stanford White as an interior decorator and a dealer in antiques and the fine arts Craven also offers a vivid portrait of the sweeping social and cultural changes taking place in the United States in the late nineteenth and early twentieth centuries He places White s

work as an interior decorator within the context of the lives and society of the nouveaux riches who built unprecedented fortunes during the Industrial Revolution Rejecting the dominant middle class tastes and values of the United States the Whitneys Vanderbilts Astors Paynes Mackays and other wealthy New York families saw themselves as the new aristocracy and desired the prestige and trappings accorded to Old World nobility Stanford White fulfilled their hunger for aristocratic recognition by adorning their glamorous Fifth Avenue mansions and Long Island estates with the sculptures stained glass windows coats of arms and carved fireplaces of the European past Interior decorators such as White did more than just buy single pieces for these families They purchased entire rooms from palazzos chateaux villas nunneries and country houses had them dismantled and shipped both furnishings and architectural elements to their American clients Through Stanford White s activities Craven uncovers the mostly but not always legal business of dealing in antiquities as American money entered and changed the European art market Based on the archives of the Avery Architectural Library of Columbia University and the New York Historical Society this book recovers a neglected yet significant part of White s career which lasted from the 1870s to his murder in 1906 White not only set the bar for twentieth century architecture but also defined the newly emerging profession of interior design [Saving Sin City](#) Mary Cummings,2018-05-01 When Stanford White was murdered by Harry K Thaw in 1906 his death become known as The Crime of the Century Thaw was the debauched and deranged heir to a Pittsburgh fortune with a sadistic streak White was an artistic genius and one of the world s premier architects who became obsessed with a teenaged chorus girl Evelyn Nesbit Nesbit and Thaw would eventually marry but Thaw s lingering jealousy and anger culminated in White s murder and shocking trial about a murder committed in front of dozens of eyewitnesses Promising young D A William Travers Jerome would find his faith in himself and the law severely tested as he battled colorful crooks licentious grandees and corrupt politicians Cummings brilliant reveals the social issues simmering below the surface of New York that Jerome had to face Filled with mesmerizing drama rich period details and fascinating characters [Saving Sin City](#) sheds fresh light on crimes whose impact still echoes throughout the twenty first century [Stanford White](#) Stanford White,1997 Collection of letters written by architect Stanford White to various family members and his friend the sculptor Augustus Saint Gaudens Illustrated by sketches by White facsimiles of some of his letters and portraits of White and some of his relatives **The Architect and Engineer of California, Pacific Coast States** ,1906 *Quarterly Bulletin Containing an Index of Literature from the Publications of Architectural Societies and Periodicals on Architecture and Allied Subjects* American Institute of Architects,1906 *Robbery Under Law* John Armstrong Chaloner,1915 **The Architectural Forum** ,1920

## FAQs About Stanford White Books

**What is a Stanford White PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Stanford White PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Stanford White PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Stanford White PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Stanford White PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
