authorship and the legacy of both including their influence on the songwriting and personas of David Bowie **Kubrick's Hope** Julian Rice,2008-09-29 There have been two common assumptions about Stanley Kubrick that his films portray human beings who are driven exclusively by aggression and greed and that he pessimistically rejected meaning in a contingent postmodern world However as Kubrick himself remarked A work of art should be always exhilarating and never depressing whatever its subject matter may be In this new interpretation of Kubrick s films Julian Rice suggests that the director s work had a more positive outlook than most people credit him And while other studies have recounted Kubrick s life and production histories few have offered lucid explanations of specific sources and their influence on his films In Kubrick s Hope Rice explains how the theories of Freud and Jung took cinematic form and also considers the significant impression left on the director s last six films by Robert Ardrey Bruno Bettelheim and Joseph Campbell In addition to providing useful contexts Rice offers close readings of the films inviting readers to note details they may have missed and to interpret them in their own way By refreshing their experience of the films and discarding postmodern clichés viewers may discover more optimistic themes in the director s works Beginning with 2001 A Space Odyssey and continuing through A Clockwork Orange Barry Lyndon The Shining Full Metal Jacket and Eyes Wide Shut Rice illuminates Kubrick s thinking at the time he made each film Throughout Rice examines the compelling political psychological and spiritual issues the director raises As this book contends if these works are considered together and repeatedly re viewed Kubrick s films may help viewers to personally grow and collectively endure *Kubrick* Robert P. Kolker,Nathan Abrams,2024-02-06 The definitive biography of the creator of 2001 A Space Odyssey The Shining and A Clockwork Orange presenting the most in depth portrait yet of the groundbreaking film maker The enigmatic and elusive filmmaker Stanley Kubrick has not been treated to a full length biography in over twenty years Stanley Kubrick An Odyssey fills that gap This definitive book is based on access to the latest research especially Kubrick s archive at the University of the Arts London as well as other private papers plus new interviews with family members and those who worked with him It offers comprehensive and in depth coverage of Kubrick s personal private public and working life Stanley Kubrick An Odyssey investigates not only the making of Kubrick s films but also about those he wanted but failed to make like Burning Secret Napoleon Aryan Papers and A I Revealingly this immersive biography will puncture the controversial myths about the reclusive filmmaker who created some of the most important works of art of the twentieth century Gender, Power, and Identity in The Films of Stanley Kubrick Karen A. Ritzenhoff,Dijana Metlič,Jeremi Szaniawski,2022-10-21 This volume features a set of thought provoking and long overdue approaches to situating Stanley Kubrick s films in contemporary debates around gender race and age with a focus on women s representations Offering new historical and critical perspectives on Kubrick s cinema the book asks how his work should be viewed bearing in mind issues of gender equality sexual harassment and abuse The authors tackle issues such as Kubrick s at times questionable relationships with his actresses and former wives the dynamics of power misogyny and miscegenation in

his films and auteur apologism among others The selections delineate these complex contours of Kubrick's work by drawing on archival sources engaging in close readings of specific films and exploring Kubrick through unorthodox venture points With an interdisciplinary scope and social justice centered focus this book offers new perspectives on a well established area of study It will appeal to scholars and upper level students of film studies media studies gender studies and visual culture as well as to fans of the director interested in revisiting his work from a new perspective [A Clockwork Orange Stanley Kubrick, 1972](#)
