**STARFIGHTERS - DEFENDING EARTH** Bruce Goldwell,2022-05-10 The Earth is about to be attacked The first battles are about to be fought and the war for Earth s future is just about to begin Whoever wins will determine the fate of humanity When the fate of humankind depends on the bravery of teenagers you need a team you can count on The fate of the world is in their hands Starfighters is a new teen sci fi fantasy series Destined to be the next big hit for sci fi book fans This fantasy book series is somewhere in between The Last Starfighter and Star Wars Are you ready for a space adventure book that will have you sitting on the edge of your seat When an alien force known as the Thrall is about to attack Earth a group of teens from around the world are assembled to defend it No one can stand in the way of Billy Bronson and his dream of becoming the best starfighter pilot in the civilized world He s laser focused and determined to make it to the top In a world where everyone is a potential competitor this is not easy But what makes Billy s quest even harder is that he lives and goes to school in one of the outlying planets where they still haven t been connected to beings from other worlds That s about to change Billy Bronson is obsessed with Starfighter the Virtual Reality game that makes you feel like you are piloting your Starfighter As is every teenager in the civilized world When he completes a time sensitive mission in second place he is surprised to see that he is invited to Nevada to compete to be ranked one of the best Starfighters in the entire world But when Billy gets there all is not what it seems Billy realizes that the alien known simply as Harvey has taken it upon himself to train up his group of Starfighters on Earth without the permission or the consent of the Galactic Federation He cannot let innocent people die The way he has managed to do this covertly is by implementing Starfighter training into the hit game Starfighters With the help of Harvey a member of the Galactic Council will a small group of rag tag teens be able to stop the Thrall from destroying the earth Starfighters Defending Earth is a YA space fantasy with a teen romance for young adults and is Book One of The Starfighters Book Series This sci fi fantasy series with a group of young teens from around the world obscures the lines between epic fantasy and sci fi adventures When two teens from opposite sides of the world experience a seemingly love at first sight encounter this space adventure includes a friends to lovers romance for YA readers [Star Wars™ Encyclopedia of Starfighters and Other Vehicles](#) Landry Q. **Border Fights & Fighters** Cyrus Townsend Brady,1902 **American Fights and Fighters Series: Border fights and fighters** ,1909 Flak Edward B. Westermann,2001 Air raid sirens wail searchlight beams flash across the sky and the night is aflame with tracer fire and aerial explosions as Allied bombers and German anti aircraft units duel in the thundering darkness Such cinematic scenes played out with increasing frequency as World War II ground to a close were more than mere stock material for movie melodramas As Edward Westermann reveals they point to a key but largely unappreciated aspect of the German war effort that has yet to get its full due Long the neglected stepchild in studies of World War II air campaigns German flak or anti aircraft units have been frequently dismissed by American British and German historians and by veterans of the European air war as ineffective weapons that wasted valuable materiel and personnel resources desperately needed elsewhere by the Third Reich Westermann emphatically disagrees with that view and makes a convincing case for the significant contributions made by the entire range of German anti aircraft defenses During the Allied air campaigns against the Third Reich well over a million tons of bombs were dropped upon the German homeland killing nearly 300 000 civilians wounding another 780 000 and destroying more than 3 500 000 industrial and residential structures Not surprisingly that aerial Armageddon has inspired countless studies of both the victorious Allied bombing offensive and the ultimately doomed Luftwaffe defense of its own skies By contrast flak units have virtually been ignored despite the fact that they employed more than a million men and women were responsible for more than half of all Allied aircraft losses forced Allied bombers to fly far abovehigh accuracy altitudes and thus allowed Germany to hold out far longer than it might have otherwise Westermann s definitive study sheds new light on every facet of the development and organization of this vital defense arm includi **Shadowed Stars The Children of Home** Steven Koutz,2022-04-08 The planet Home on the other side of the collapsed wormhole has thrived for twenty two Earth years Rico has been raised alone by his human mother and has often been told stories of Rayk his Luth Bik father who had sacrificed himself to save everyone before Rico was born Rico being half Luth Bik and half human has felt like an outcast for most of his life Despite the love of his mother Aunt Eva Uncle Slade and cousins he has felt alone and conflicted with the vastly different teachings of human and Luth Bik religions and cultures He has been haunted by the question Where do I belong Rico is now about to set out on his first solo mission A

simple escort mission of a sick queen to a planet with a possible cure The planet of Yanve is inhabited by humans but their culture due to a pandemic in the past has adopted the wearing of masks a practice that has remained and evolved to identify status in the society Rico has decided to take his cousins along and get their training in the diplomatic field Quinla is the eldest child and daughter of Slade and Eva She has come out openly as a lesbian and her past and present loves are on the verge of meeting Nata is the middle child and the second daughter of Slade and Eva She is trying to find her own identity as the crowded middle child Jon is the youngest and Slade and Eva s only son He still has some growing up to do and perhaps this mission can aid in that task Obviously the simplest missions are the ones that go wrong Rico s outcast status and solitude will shed his long kept secrets as the mission goes forward The children of Home will learn that there is a much wider scope to the universe Two enemies will be encountered and their threats will forge the young adventurers into the heroes they will become One adversary will have desires to rule a single planet the other plans to conquer the universe with powers that will test everyone that poses opposition to that goal Navo Gorondo is the head of family security and will soon learn that the four young adults of Home s two leading families are more than a handful Great tragedy and despair can create inner strength that Rico and his cousins did not know they have
