Sustainable Consumer Behaviour and the Environment Heesup Han, 2021-12-19 This book advances the tourism and hospitality industry's contribution to meeting the United Nations Sustainable Development Goal 12 of responsible consumption and production. It enables a collaboration platform across these sectors in pursuit of common goals for promoting sustainable consumption and environmental protection. Sustainable consumer behavior is a principal topic in the current tourism and hospitality industry as many types of unsustainable consumptions pose a threat to society and the natural environment. Sustainable consumer behavior is a vital facet of protecting the environment that ultimately benefits the entire society. Individuals' irresponsible consumption activities are undeniably considerable elicitors of harmful environmental, social, economic, and economic impacts throughout the world. Comprehending sustainable consumer behavior is of utmost importance for the tourism and hospitality industry to design innovative and responsible strategies to minimize the negative consequences of tourism. The scope of this book includes various sustainable consumptions, productions, and consumer behaviors in a variety of tourism and hospitality sectors and will be of great value to students, scholars, and researchers interested in areas such as sustainable consumer behaviour, hospitality, sustainable development, and tourism management. The chapters in this book were originally published as a special issue of the *Journal of Sustainable Tourism: Contemporary Management and Science Issues in the Halal Industry*. Faridah Hassan, Ismah Osman, Erne Suzila Kassim, Balkis Haris, Rohana Hassan, 2019-05-18. The proceedings volume focuses on halal management and science topics. Issues related to business model, management, marketing, finance, food security, lifestyle, hospitality, tourism, cosmetics, personal care, legal aspects, technologies, and sciences are presented in the chapters. In addition, the book also covers comprehensive areas of halal and haram chains of production from raw materials, ingredients, planning, manufacturing, packaging, logistics, delivery, warehousing, marketing, to consumption. Various survey results and few cases explore practical solutions to these issues of interest to academics in university settings as well as practitioners in different industries and government agencies.

Recent Trends in Social and Behaviour Sciences Ford Lumban Gaol, Seifedine Kadry, Marie Taylor, Pak Shen Li, 2014-02-27. The human aspect plays an important role in the social sciences. The behaviour of people has become a vital area of focus in the social sciences as well. *Recent Trends in Social and Behaviour Sciences* contains papers that were originally presented at the International Congress on Interdisciplinary Behavior and Social Sciences held 4-5 November 2014.
