The Wiser-Mouse Legacy Derek V. Everard, 2012-05-23 It is quite rare to encounter an authentic Christian living in obedience to Jesus Word This spiritual guide focuses on the practice of what Jesus taught in easy non religious terms It explores how we may apply Jesus principles to our everyday lives He stated in John 7:16 My doctrine is not Mine but His that sent Me This true life adventure includes a legacy of spiritual wisdom discovered in an abandoned cottage on the edge of Exmoor Forest Some beautiful

sketches of a Yellow Necked mouse added to the intrigue of wondering why the scribe signed his work as Wiser Mouse Now rescued from the ruin of dampness and decay his messages are woven into the Legacy as The Lost Notebooks of Wiser Mouse Spiritually mature Christians need to challenge the widespread insidious teaching and practice of unsound doctrine 1 Cor 2 15 Do we blindly follow the traditions of man and his churches Or do we obey the commands of God in the Holy Bible They are distinctly different But in vain do they worship Me teaching for doctrines the commandments of men Matt 15 9 The Holy Bible is the final arbiter on all matters of Christian doctrine It is utterly irrelevant as to WHO is right authenticity is focused only on WHAT is right The Wiser Mouse Legacy is for those who seek to live the immutable doctrine of truth as taught by our Lord Jesus Christ

Phantom Nightingale Naomi Cornelia Long Madgett,1981 **Midday In Italian Literature** Nicolas James Perella,2015-03-08 Although midday is commonly associated with indolence or the languishing of both nature and humanity in stifling heat Nicolas Perella shows that this connection however real is secondary to an archetypal encounter with noontide as a moment of existential crisis of spiritual as well as erotic dimensions First tracing the literary presence of this image from classical and biblical antiquity to Nietzsche and other modern writers he then analyzes the preoccupation with midday in the imagination of Italian authors from Dante to the present When the sun is at its point of greatest strength the blaze of noon is variously experienced as a wave of glory or a moment of dread as an occasion for reaching out to the Absolute or retreating from the Abyss as a source of fullness and energy or of emptiness and lethargy that ultimately may either expand or annihilate being The author contends that it is the intimation of crisis surrounding this ambiguous moment that accounts for the richly variegated psychological and aesthetic experience of its imagery in Italian literature Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
