**Mover and Shaker** Andy McCue,2014-05-01 One of the most influential and controversial team owners in professional sports history Walter O Malley 1903 79 is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles Yet much of the O Malley story leading up to the Dodgers move is unknown or created from myth and there is substantially more to the man When he entered the public eye the self constructed family background and early life he presented was gilded Later his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers In *Mover and Shaker* Andy McCue presents for the first time an objective complete and nuanced account of O Malley s life He also departs from the overly sentimentalized accounts of O Malley as either villain or angel and reveals him first and foremost as a rational hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game

 and a birthday present all add up to a surprise ending on Mall Mania Day A lighthearted look at addition strategies 'No  
Surrender Here!' Ernie O'Malley,Cormac K. H. O'Malley,2007 This collection documents one man s attitude to war and his  
 difficult acceptance of peace his experience of capture imprisonment hunger strike and finally release In these letters  
 however No Surrender Here also captures the voices of both the leadership and the rank and file the detached and often  
 inappropriate orders from above and the confusion of men who in some cases without boots on their feet know that theirs is a  
 hopeless cause Letters to friends and family also reveal the more personal costs of war Just over a month after the 1921 truce  
 that ended Ireland s fight with England Ernie O Malley longed for a return to war Ten months later he was waging civil war  
 against many of the men he had once fought with against those who accepted the new Irish Free State No Surrender Here  
 The Civil War Papers of Ernie O Malley 1922 1924 is the first comprehensive collection of letters memoranda and orders  
 detailing this period of chaos and confusion intransigence and idealism which gripped the country from June 1922 to May  
 1923 These documents detail the war as it was fought with none of the benefit of hindsight and occasional artistry that marks  
 the memoirs of many of the men involved not least O Malley s own carefully crafted narratives On Another Man s Wound and  
 The Singing Flame published decades later These fully annotated documents given historical perspective with a general  
 introduction by Professor Joe Lee provide extraordinary insights into the republican mentality during the Irish Civil War into  
 what remains a contested and controversial period of modern Irish history **Catalogue of Title-entries of Books and**
