Klima,2023-12-11 To be content is to be happy and satisfied In the Bible contentment also means to be at peace and at rest The apostle Paul told the church in Philippi that he had learned how to be content in any situation He also told Timothy that godliness with contentment is great gain There are many reasons why people are not content We tend to strive after things we get anxious depressed or dissatisfied And sometimes we suffer physical or emotional pain from tragic circumstances We are also subject to many messages which tell us there are things we ought to have to do or to be Learning how to be content is an important part of being what God wants us to be The Art of Contentment was first published in 1675 The author is anonymous Because of its value and because the original Old English is hard to read Robert H Klima has rewritten the work

in modern English The development of the skill of gaining contentment is the purpose of the book Here are the secrets of happiness satisfaction and peace *The Art of Contentment* Richard Allestree, Lady Dorothy Coventry Pakington, 1841

The Art of Contentment. By the Author of the Whole Duty of Man, &c. [i.e. R. Allestree]. Richard Allestree, 1675 The Art of Contentment Richard Allestree, Lady Dorothy Coventry Pakington, 1841 **Art of Divine Contentment** Thomas Watson, Rev Terry Kulakowski, Editor, 2015-11-28 Man is born unto trouble as the sparks fly upward therefore we all need to learn the same lesson as Paul I have learned he said in whatsoever state I am therewith to be content Philippians 4 11 Believers especially wish to attain to a holy equanimity in their tribulations and under the stresses caused by our increasingly secular society In this volume we have a full exposition by the Puritan Thomas Watson of the above verse of Scripture originally preached during his ministry as rector of St Stephen s Wallbrook London Puritan preachers having an eye to the practice of their hearers built their heart searching application of the truth upon sound biblical doctrine This characteristic is evident in *The Art of Divine Contentment* as is also the fact that Watson was the master of a terse vigorous style and of a beauty of expression *The Art of Contentment. ART., 1675 The Art of Contentment, by the Author of The Whole Duty of Man, & C..., 1682 **The art of contentment, by the author of the whole duty of man** Richard Allestree (D.D.), 1700 **The Art of Divine Contentment** Thomas Watson, 2025-05-30 In a world where competition is sold as the key ingredient for success few would ever think of contentment as one of the most important features of a true Christian When even pastors and preachers are looking for counsel on how to improve their style how to boost their leadership abilities how to be more popular to come with this idea of contentment seems rather odd However the Bible has so much to say on this topic that its inspired authors came even to the shocking conclusion that if you combine godliness and contentment the result is of great gain So thought Puritan Thomas Watson who penned this wonderful book on the what and when and how of the divine contentment This book has been originally published in 1855 Current edition has been proofread typeset for eBook readers and updated for modern readers
