Destiny John W Roberts,2023-07-17 In the close knit African American community where Eugene Lawrence Wright was born
everyone seems to have questions about his destiny but no answers Even Cousin Beulah who sets him on the path in search
of his destiny left him confused And after her untimely death his father to whom he turned for clarity only offers a warning
The problem for most of us is not that we never find our destiny it s just that we aren t prepared to fulfill it Eugene heeds his
father s words and spends his life preparing to fulfill his destiny by committing himself to hard work and success With an
incredible intellect and a tireless work ethic he is spectacularly successful eventually climbing to the top of the career ladder
of his profession Despite his success Eugene refuses to accept his work as his destiny Feeling unfilled by it and hampered in
his ability to sustain a meaningful personal relationship because of his commitment to his work he lives a life without joy As
he embarks on the next big move in his career will he make it another episode in his fruitless chase or realize that he must
fulfill himself before he can fulfill his destiny Or will he be able to reconcile his personal and professional lives and finally
claim the destiny that has always been within his grasp The Chicago Daily News Almanac and Year Book for ... George
