Work Of Art:

The Work of Art Michael D. Jackson, 2016-10-25 How are we to think of works of art Rather than treat art as an expression of individual genius market forces or aesthetic principles Michael Jackson focuses on how art effects transformations in our lives Art opens up transitional ritual or utopian spaces that enable us to reconcile inward imperatives and outward constraints thereby making our lives more manageable and meaningful Art allows us to strike a balance between being actors and being acted upon Drawing on his ethnographic fieldwork in Aboriginal Australia and West Africa as well as insights from psychoanalysis religious studies literature and the philosophy of art Jackson deploys an extraordinary range of references from Bruegel to Beuys Paleolithic art to performance art Michelangelo to Munch to explore the symbolic labor whereby human beings make themselves both individually and socially out of the environmental biographical and physical materials that affect them a process that connects art with gestation storytelling and dreaming and illuminates the elementary forms of religious life

The Total Work of Art Matthew Wilson Smith, 2007-03-12 The Total Work of Art provides a broad survey that incorporates many canonical artists into a single narrative With particular attention to the influence of the Total Work of Art on modern theatre and performance this brief introduction will also be of interest to students in such fields as film studies music history history of art cultural studies and modern European literatures

The Art and Craft of Play Directing David Stevens, 2013-03-13 Theatre is an interpretive art based upon a director's emotional reaction to reading a play and imagining a production of that play Before the audience experiences the production the director must go through a process part art and part craft to create it This book is intended to introduce undergraduate students with a solid theatre background to that process Stevens includes chapters covering theatre and art the interpretation of the script composition and movement working with actors and matters of style Each chapter contains exercises in order for students to consolidate what they have learned The complete text of John Millington Synge's *Riders to the Sea* is included as an example and study text and Stevens relates many examples from his own rich directing background Twenty production photos two sample floor plans and numerous diagrams round out the text The study of directing is a life long project and in this book Stevens provides a basis for that study
