The Devils Chimney:

The Devil's Chimney Anne Landsman,1997 **Cloven Country** Jeremy Harte,2023-08-25 Now in paperback an exploration of the myths of England s deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil s work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil s hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales *Literary Strolls Around the Cotswolds and the Forest of Dean* Gordon Ottewell,2000 Features routes less than three miles in length and spread right across the delightful Cotswold countryside This book aims to encourage strollers to find out more about the area through the discovery of its many faceted literary associations It is suitable for lovers of literature and landscape **The Devil's Chimney** ,1985 *An ABC of Witchcraft Past and Present* Doreen Valiente,2018-01-31 This is the only book of its kind on witchcraft that has been written by a practising witch It is intended to be not merely a history but a guide to the many strange byways of a vast and fascinating subject Witchcraft is as old as the human race and it is actively practised today by people of all classes To its devotees witchcraft is more than spells and charms or even secret meetings and rituals it is a philosophy and a way of life It claims to be the oldest form of religion that of nature worship and magic Since the last Witchcraft Act was repealed in 1951 the revival of public interest in witchcraft has been the subject of continuous controversy This book is a serious contribution to the study of a subject too long obscured by prejudice and sensationalism **Bulletin** Wisconsin Geological and Natural History Survey,1916 The Devil's Chimney Enoch Howell Rees,19?? *Mineral Resources Review* ,1977 The Romance of Wisconsin Place Names Robert E. Gard,2015-09-09 The names of places lie upon the land and tell us where we are or where we have been or where we want to go And so much more From the introduction Fifty years ago educator and writer Robert E Gard traveled across Wisconsin learning the trivial controversial and landmark stories behind how cities counties and local places got their names This volume records the fruits of Gard s labors in an alphabetical listing of places from every corner of Wisconsin and the stories behind their often unusual names Gard s work provides an important snapshot of how Wisconsin residents of a bygone era came to understand the names of their towns and home places many of which can no longer be found on any map Celebrated rural historian Jerry Apps introduces this reprint of Gard s work saying that in some ways *The Romance of Wisconsin Place Names* is a reference book a place where you can go to learn a little more about your home town But in many ways it is much more than that for it includes the stories of places throughout the state submitted by the people

who knew them It is a book where story people and place all come together **The Physical Geography of Wisconsin**
