Principles of Sociology with Educational Applications (Classic Reprint) Frederick R. Clow, 2015-07-02 Excerpt from Principles of Sociology With Educational Applications The efforts of theological seminaries schools of philanthropy schools of business and schools of education to employ sociological theory as an instrument for the analysis of any kind of social situation or as a master key to all of their treasure houses are destined I still believe to result in success Such success awaits standardization and that again expressing merely my own opinion the university professors will yet give us they some of them will come to the aid of the schools that educate social workers and will trim down the far ramifying sociological theory to the shape of a tool which these workers can be easily trained to use In my class every student works on some group or institution with which he is familiar his practice class if he has one or his boarding club literary society church family neighborhood As we advance through the principles of sociology he applies them to his own special group and writes a sociological analysis of it by instalments In this way sociological theory comes to him as an instrument for practical use rather than as a body of doctrine for the delectation of scholars American Sociological Society Publications Vol 13 p 68 Clow Sociology in the Education of Teachers While the general application of sociology to technical uses must probably await the appearance of a treatise such as is foreshadowed in the first paragraph above this volume is designed to serve as a textbook for work such as is described in the second paragraph To that end it omits several topics which usually find place in an introductory textbook in sociology The only limit to the students freedom in selecting the group or organization on which he will use the sociological scalpel is that it must be one about which he has or can get adequate information About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
