puck is derived from the Irish word poc which is the action of striking the ball with a hurley In 1845 the civic fathers of Quebec City banned the playing of hurling in their narrow streets while in St John s Newfoundland hurling was being played as early as 1788 at the Barrens of the city The ladies version of hurling Camogie has had its presence on occasion in some Canadian communities The skilful play of Gaelic Football which has dominated the sporting scene across the country in many Canadian cities continues to be the greatest strength in modern times Along with two other Irish sports of handball and rounders many wonderful memories for the Canadian Irish community are celebrated in this book that captures an exciting facet of Irish culture
