*The Experimental  
Years, 1920–1934*  
Ronald H. Wainwright

# Staging Oneill

**Ward B. Lewis**

## Staging Oneill:

*Staging O'Neill* Ronald Harold Wainscott, 1988 Eugene O'Neill's most exciting experiments with stage direction and design took place in his plays produced between 1920 and 1934 from *Beyond the Horizon* to *Days Without End*. The impact of these experiments on the American theater was enormous and in this book Ronald H. Wainscott critically examines the staging of these innovative works. **Eugene O'Neill and the Reinvention of Theatre Aesthetics** Thierry Dubost, 2019-07-12 The plays of Eugene O'Neill testify to his continued search for new dramatic strategies. The author explores the Nobel Prize winner's attempts at creating a new Modern play. He shows how moving away from melodrama or the problem play O'Neill revisited the classical frames of drama and reinvented theater aesthetics by resorting to masks, the chorus, acoustics, silence, or immobility for the creation of his dramatic works. [An Analysis Via Staging Devices](#) Roberta Lynne Wolin, 1972 [Eugene O'Neill and the Ashcan Artists](#) Zander Brietzke, 2025-02-05 Eugene O'Neill lived with the artist George Bellows in the early twentieth century, met Robert Henri, the leader of the future Ashcan School, and knew John Sloan, who etched O'Neill at the Lincoln Arcade studio on Upper Broadway. These visual artists made a profound impression on the future playwright, and when O'Neill began writing plays in 1913, he drew upon the images he had first seen on canvas or paper. This book presents the centrality of New York City on Eugene O'Neill's imagination: the notorious Tenderloin section, Greenwich Village, the Lower East Side, Fifth Avenue, and Gramercy Park, and it does so through the brushes, pens, plates, and stones of the Ashcan artists. The sixty images herein reveal the shared aesthetic sensibilities between all the respective artists and foreground the honest, unflinching, and simple beauty that O'Neill sought to portray in all of his dramatic works, from the early one-acts with the Provincetown Players to the Broadway blockbusters in the 1920s and culminating with the posthumously produced plays he wrote in near seclusion to conclude his career. *Eugene O'Neill* Barrett Harper Clark, 1929 **The Eugene O'Neill Review**, 2006 **O'Neill** Arthur Gelb, Barbara Gelb, 1974 *Growing with the West* John Meloy Stahl, 1930 [Eugene O'Neill](#) Virginia Floyd, 1979 **Performance Visions of Eugene O'Neill's Iceman--Madman, All-American Kid, and Satan** Deborah Merola, 1998 **Eugene O'Neill Production Personnel** Madeline C. Smith, Richard Eaton, 2005 From Broadway to regional and college stages and back again, the plays of Eugene O'Neill have been widely presented to audiences around the world. This work brings together biographical information on more than 3300 individuals who have appeared in or been a part of O'Neill productions. Some came famous to their roles, some used a play as a springboard to success, many had their O'Neill moment and were heard from no more. All, including actors, directors, producers, and other personnel, are listed here. Each entry includes either the role played for cast members or the position filled for crew, and the opening dates and place of the production. Where possible, fuller biographical data, including birth and death dates and information on other performances, is provided. Indexes offer access to titles, characters, and theater names. *Eugene O'Neill* Madeline C. Smith, Richard Eaton, 2001-04-23 In the last half century, the American theater has

become more a part of the global theatrical community and as a result America's playwrights and their works are receiving more attention internationally Eugene O'Neill is perhaps the one American playwright who has gained the most renown with the global expansion of American theater This work is not only an annotated bibliography of published works about O'Neill but a careful record of the scores of productions of O'Neill's work both within and without the United States in English speaking countries and elsewhere and the large number of published translations of his plays covering the years 1973 through 1999 The eight sections of this large work each annotated are A articles in English B books with reviews indicated C dissertations D non-English language articles books and dissertations E and F listings by play title of productions of O'Neill's plays in the United States and abroad G primary works by O'Neill and H miscellaneous information on O'Neill productions

O'Neill's *The Iceman Cometh* Gary Vena, 1988     *The Smart Set*, 1922     **Cyclopedia of World Authors** Frank Northen Magill, 1997     **The Recorder**, 1989     File on O'Neill Stephen A. Black, 1993     **Quintero Directs O'Neill** Edwin J. McDonough, 1991     *Eugene O'Neill* Ward B. Lewis, 1984 The reputation which O'Neill enjoyed in Germany is treated as well as the critical and popular response to his individual works Greeted during the thirties as a very American dramatist and a revolutionary influence in the theater of his own country the playwright was seen abroad as a conservative successor to the European tradition of Strindberg Ibsen and Hauptmann After World War II however all this changed He was heard then as the voice from America that provided existential hope to an audience beset by economic hardship the anxieties of the cold war feelings of guilt and uncertainty Extremely popular his works were performed more frequently during the decades of the fifties and thereafter than any other foreign dramatist except Shakespeare     Racial Geometries of the Black Atlantic, Asian Pacific and American Theatre Shannon Steen, 2010-01-20 Drawing on original archival research Racial Geometries examines popular forms of performance from musical theatre and minstrelsy to non-theatrical forms like Chinatown tourism to expose how American racial formation between the two world wars was not determined only within national borders but traded on and influenced international dynamics

## Staging Oneill Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Staging Oneill**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
