Stendhal A Biography:

A Lion for Love Robert Alter, Carol Cosman, 1986 **A Life of Napoleon** Stendhal, 2004 This biography examines the life of Napoleon Stendhal Robert Alter, Carol Cosman, 1980 **The Life of Henry Brulard** Stendhal, 2016-08-23 The Life of Henry Brulard is the autobiography of one of France's greatest writers Stendhal author of *The Red and the Black* and *The Charterhouse of Parma* Here writing at white heat and with such ferocious honesty and indignation that his book was to remain unpublishable for more than a century after its composition Stendhal revisits his unhappy childhood in a stuffy provincial town and bares his rebellious heart His adored mother who died when he was only seven a father devoted only to his own social ambitions the aunt whose daily cruelties passed for care these are among the indelible portraits in a work that captures the sights sounds places and characters of Stendhal's youth its pleasures and sorrows with preternatural clarity and immediacy Full of dazzling images and burning emotions *The Life of Henry Brulard* is a vivid memoir that is also an extraordinary work of the imagination **The Cenci** Stendhal, 2016-03-22 *The Cenci* was written in the year 1839 by Stendhal A wonderful biography of a fictional modern don Juan Memoirs of an Egotist Stendhal, 1975 *The Biography Book* Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals Stendhal Rudolf Kayser, 1930 **The Abbess of Castro** Stendhal, 2018-06-19 *The Abbess of Castro* By Stendhal Marie Henri Beyle better known by his pen name Stendhal was a 19th century French writer Known for his acute analysis of his characters psychology he is considered one of the earliest and foremost practitioners of realism in his two novels *Le Rouge et le Noir* *The Red and the Black* 1830 and *La Chartreuse de Parme* *The Charterhouse of Parma* 1839 Contemporary readers did not fully appreciate Stendhal's realistic style during the Romantic period in which he lived he was not fully appreciated until the beginning of the 20th century Today Stendhal's works attract attention for their irony and psychological and historical dimensions Stendhal was an avid fan of music particularly the works of the composers Cimarosa Mozart and Rossini He wrote a biography about Rossini *Vie de Rossini* 1824 now more valued for its wide ranging musical criticism than for its historical content We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our

view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience.

To the Happy Few Stendhal, 1986. Stendhal's life resembled that of his novels. If his heroes were on the whole younger and better looking than he was they were less mature. In many of these letters it is the poet who did not die young who writes in a poetry of ideas. The three persistent themes of the novels: the love affairs, the life of action and the precise analysis of the various forms of passion he distilled from these are also the persistent themes of his correspondence. Here Stendhal courts Metilde delineates the anatomy of love and struggles through the snow retreating from Russia.

Speaking of Stendhal Storm Jameson, 2011-10-28. Storm Jameson writes of Stendhal as one speaks in suitable company of a friend. She knew him very well. Over the years she read everything available by him and she immersed herself in his life and his writings and the two cannot be separated. As a biographical subject Stendhal is vastly more rewarding than many literary figures. Something was forever happening to him usually another passionate love affair. Life at home in his youth was a smouldering battle ground he hated his father and when he rejoiced at the execution of Louis XVI he sure Storm Jameson adds that another head glimmered in his mind. There was his naively close relationship with his sister Pauline whom however he later outgrew so that he would do anything he could for her except live with her. There was his brief but horrifying experience of Napoleon's wars. And of course there was his passion for travel for society for the opera for Italy. It all became part of the texture of his books. What is so astonishing is that his contemporaries were unconscious of his genius even his old friend Merimee patronised him as a failure. Posterity has set that right and this study so lucidly and perceptively written and providing so many insights gives a marvellously concise picture of a rich and varied life.

Memoirs of Egotism Stendhal, 2012-04-16. Written in 1832 three years before *The Life of Henry Brulard* which recounts the author's boyhood and youth. *Memoirs of Egotism* forms the essential middle section of Stendhal's intended autobiography. Along with *Journals of Italy* these volumes comprise what Andr Gide has called one of the truly great autobiographies in any language. Unpublished until fifty years after the Stendhal's death. *Memoirs of Egotism* concerns itself exclusively with the decade following his return from Milan to Paris in 1821. Stendhal appears as a cynical wit, adventurer, lover, brilliant conversationalist and secret man of letters. We are privy to his encounters in the salons and boudoirs of the capital with his attendant hopes realized and disappointed, private foibles and social miscalculations. Stendhal's passionate and ceaseless pursuit of happiness is on display intertwined as always with the undercutting wit and unsparing self analysis that have transformed his name into an adjective for an entire point of view all as frankly conveyed and keenly observed as in any memoir before or since. The book is deftly translated by Hannah and Matthew Josephson. Mr Josephson also provides an

extensive introduction and editorial notes _____ The lens of his intelligence is focused on himself with a concentration that amounts to ferocity Doris Lessing He had the faculty of surrendering himself to some emotional experience then recording it afterward with complete self consciousness He tried to examine himself and others with the experimental and dispassionate attitude typified by the new scientists of the time much as his friend Cuvier the biologist dissected animals in his laboratory eschewing bombast or sentiment from the editor s introduction *Biography*, 1987 [Memoirs of Rossini, by the Author of the Lives of Haydn and Mozart](#) Stendhal, 2012-12 A wonderful biography of Gioachino Antonio Rossini who composed 39 operas and was considered until his retirement in 1829 the most popular opera composer in history [CliffsNotes on Stendhal's The Red and the Black](#) D. L. Gobert, 1999-03-03 This CliffsNotes guide includes everything you ve come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works *Gioachino Rossini* Denise P. Gallo, 2002 A comprehensive annotated bibliography of all the printed materials on Gioachino Rossini the famous 19th century composer **The Singing Turk** Larry Wolff, 2016-08-30 While European powers were at war with the Ottoman Empire for much of the eighteenth century European opera houses were staging operas featuring singing sultans and pashas surrounded by their musical courts and harems Mozart wrote *The Abduction from the Seraglio* Rossini created a series of works including *The Italian Girl in Algiers* And these are only the best known of a vast repertory This book explores how these representations of the Muslim Ottoman Empire the great nemesis of Christian Europe became so popular in the opera house and what they illustrate about European Ottoman international relations After Christian armies defeated the Ottomans at Vienna in 1683 the Turks no longer seemed as threatening Europeans increasingly understood that Turkish issues were also European issues and the political absolutism of the sultan in Istanbul was relevant for thinking about politics in Europe from the reign of Louis XIV to the age of Napoleon While Christian European composers and publics recognized that Muslim Turks were to some degree different from themselves this difference was sometimes seen as a matter of exotic costume and setting The singing Turks of the stage expressed strong political perspectives and human emotions that European audiences could recognize as their own **The Bookman**, 1930 *The Literature 100* Daniel S. Burt, 2008 Here is the revised and expanded edition of Daniel S Burt s fascinating assessment of the 100 most influential novelists playwrights and poets of all times and cultures now with 25 additional entries and some reassessments as well as 25 new black and white photographs and illustrations From Doris Lessing and Gabriel Garc a M rquez to Homer and Marcel Proust the entries provide a compelling accessible introduction to significant writers of world literature All of the writers selected have helped to redefine literature establishing a standard with which succeeding generations of writers and readers have had to contend The ranking attempts to discern from the broadest possible perspective what makes a literary artist great and how that greatness can be measured and compared Each profile distills the essence of the writer s career and character to help prompt consideration of literary merit and relationships by the reader **Ghostwriting** Richard T. Gray, 2017-11-16 Ghostwriting provides the first

comprehensive analysis of the fictional prose narratives of one of contemporary Germany's most recognized authors the migrant writer W G Sebald Examining Sebald's well known published texts in the context of largely unknown unpublished works and informed by documents and information from Sebald's literary estate this book offers a detailed portrait of his characteristic literary techniques and how they emerged and matured out of the practices and attitudes he represented in his profession as a literary scholar The title Ghostwriting signals the convergence in Sebald's works of a set of diverse historical questions philosophical views and literary practices Many historical ghosts haunt Sebald's narratives on the level of story Moreover Sebald's narrator plays the role of a ghostwriter in the profound sense that his stories fictionally re-enact the histories of obscure but once living individuals whose lives they revitalize and whose fates are tied up with the most virulent historical conjunctures of the modern world This study thus seeks to comprehend the constitutive elements of Sebald's poetics of history his implementation of literary tools for effective historical memorializing
