Stepford Wives:

The Stepford Wives Ira Levin, 2011-04-26 The internationally bestselling novel by the author of *A Kiss Before Dying* *The Boys from Brazil* and *Rosemary's Baby* With an Introduction by Peter Straub For Joanna her husband Walter and their children the move to beautiful Stepford seems almost too good to be true It is For behind the town's idyllic facade lies a terrible secret a secret so shattering that no one who encounters it will ever be the same At once a masterpiece of psychological suspense and a savage commentary on a media driven society that values the pursuit of youth and beauty at all costs *The Stepford Wives* is a novel so frightening in its final implications that the title itself has earned a place in the American lexicon

Fat, Fit, and (Almost) Fifty, **Technophobia!** Daniel Dinello, 2006-01-01 Techno heaven or techno hell If you believe many scientists working in the emerging fields of twenty first century technology the future is blissfully bright Initially human bodies will be perfected through genetic manipulation and the fusion of human and machine later human beings will completely shed the shackles of pain disease and even death as human minds are downloaded into death free robots whereby they can live forever in a heavenly posthuman existence In this techno utopian future humanity will be saved by the godlike power of technology If you believe the authors of science fiction however posthuman evolution marks the beginning of the end of human freedom values and identity Our dark future will be dominated by mad scientists rampaging robots killer clones and uncontrollable viruses In this timely new book Daniel Dinello examines the dramatic conflict between the techno utopia promised by real world scientists and the techno dystopia predicted by science fiction Organized into chapters devoted to robotics bionics artificial intelligence virtual reality biotechnology nanotechnology and other significant scientific advancements this book summarizes the current state of each technology while presenting corresponding reactions in science fiction Dinello draws on a rich range of material including films television books and computer games and argues that science fiction functions as a valuable corrective to technological domination countering techno hype and reflecting the weaponized religiously rationalized profit fueled motives of such

science By imaging a disastrous future of posthuman techno totalitarianism science fiction encourages us to construct ways to contain new technology and asks its audience perhaps the most important question of the twenty first century is technology out of control

Focus On: 100 Most Popular American Satirical Films Wikipedia contributors, **Focus On: 100 Most Popular American Science Fiction Films** Wikipedia contributors, **The Stepford Wives** Ira Levin, 2011-07-21 The women of Stepford are not all that they seem All the beautiful people live in idyllic Stepford Connecticut an affluent suburban Eden populated with successful satisfied hubbies and beautiful dutiful wives For Joanna Eberhart newly arrived with her husband and two children it all seems too good to be true from the sweet Welcome Wagon lady to all those cheerful friendly faces in the supermarket checkout lines But just beneath the town s flawless surface something is sordid and wrong something abominable with roots in the local Men s Association And it may already be too late for Joanna to save herself from being devoured by Stepford s hideous perfection

Screening Gender Heike Paul, 2007 **The Stepford Wives** Samantha Lindop, 2022-01-15 The Stepford Wives 1975 occupies an unusual position in cinematic history As is often the case with cult texts the film was both a box office flop and widely misunderstood on release Intended as a feminist diatribe it was derided by Betty Friedan whose 1963 book *The Feminine Mystique* it literalised Even Ira Levin author of the novel from which the film was adapted concedes he was less than enthused with the filmed version Despite this the term Stepford wife has become idiolect for a particular kind of one dimensional upper middle class woman who is figuratively and to some extent literally an automation Indeed one does not need to have seen or even heard of the film or Levin s book to be familiar with the concept This timely study finally gives *The Stepford Wives* the serious scholarly attention it deserves In doing so the significance of the film as a socio cultural and socio political document in its own right is underscored While the intention of this book is to pay homage to Bryan Forbes film it goes far beyond this locating it in the traditions of the gothic the histories of feminism and fictional imaginings about artificial women and the futures of social robots and AI both real and imagined

Encyclopedia of Film Themes, Settings and Series Richard B. Armstrong, Mary Willems Armstrong, 2001 Library Journal called the earlier version of this work then titled *The Movie List Book* the most valuable film reference in several years Now ten years later it has been completely revamped to include over 670 entries on a variety of film themes settings and series Each entry contains a mini essay that defines the topic followed by a chronological list of representative films The entries range from themes reincarnation viral epidemics twins to settings lighthouses asylums sewers occupations librarians lumberjacks veterinarians supernatural and mythological creatures vampires mermaids gorgons sports golf football pool animals alligators dogs whales and of course hundreds more The book also contains an extensive list of film characters and

series including B movie detectives Mr Moto Philo Vance Western heroes The Durango Kid Red Ryder made for television film series Moment of Truth In the Line of Duty and foreign film good guys El Santo and bad guys Fantomas Many entries are cross referenced to direct readers to related topics From the Abominable Snowman to Zorro this encyclopedia provides film scholars and fans with an easy to use reference volume for researching film themes or tracking down obscure movies on subjects such as suspended animation robots submarines ventriloquists and the Olympics **The Stepford Wives** ,1974

Devil's Bargains Hal Rothman,1998 The West is popularly perceived as America s last outpost of unfettered opportunity but twentieth century corporate tourism has transformed it into America s land of opportunism From Sun Valley to Santa Fe towns throughout the West have been turned over to outsiders and not just to those who visit and move on but to those who stay and control Although tourism has been a blessing for many bringing economic and cultural prosperity to communities without obvious means of support or allowing towns on the brink of extinction to renew themselves the costs on more intangible levels may be said to outweigh the benefits and be a devil s bargain in the making Hal Rothman examines the effect of twentieth century tourism on the West and exposes that industry s darker side He tells how tourism evolved from Grand Canyon rail trips to Sun Valley ski weekends and Disneyland vacations and how the post World War II boom in air travel and luxury hotels capitalized on a surge in discretionary income for many Americans combined with newfound leisure time From major destinations like Las Vegas to revitalized towns like Aspen and Moab Rothman reveals how the introduction of tourism into a community may seem innocuous but residents gradually realize as they seek to preserve the authenticity of their communities that decision making power has subtly shifted from the community itself to the newly arrived corporate financiers And because tourism often results in a redistribution of wealth and power to outsiders observes Rothman it represents a new form of colonialism for the region By depicting the nature of tourism in the American West through true stories of places and individuals that have felt its grasp Rothman doesn t just document the effects of tourism but provides us with an enlightened explanation of the shape these changes take Deftly balancing historical perspective with an eye for what s happening in the region right now his book sets new standards for the study of tourism and is one that no citizen of the West whose life is touched by that industry can afford to ignore Nature & Science on the Pacific Coast ,1915

Proceedings of the Aristotelian Society for the Systematic Study of Philosophy Aristotelian Society (Great Britain),1997 Includes Report of the executive committee for 1887 88 1914 15 list of members in each volume The Thirteenth Virgin Film Guide ,2005 The critically acclaimed Virgin Film Guide makes every film count by providing more information on the films that matter from the 1930s to the present day It offers fuller credits longer synopses and reviews plus comprehensive Oscars information alternative titles a complete star rating and a comprehensive index of directors It also draws on the expertise of TV Guide s entire team of film experts each skilled in a different kind of film from classic Hollywood musicals to low budget cult favourites giving the reader more informed and opinionated critique than other books of this kind

Postfemininities in Popular Culture Stéphanie Genz, 2009-03-31 Exploring the contradictions surrounding modern day femininity and its complicated relationship with feminism and postfeminism this book provides a history of femininity in popular culture since the 1960s analysing its shifting relationship with post feminism and concepts of female victimization Through an examination of a range of popular female and feminist icons and paradigms the text offers an innovative and forward looking perspective on femininity and the modern female self The book marks an important cross generational moment in feminist thinking that challenges us to re think previous conceptions of femininity and debate critical issues that remain unresolved in contemporary culture does femininity necessarily imply powerlessness and victimization Can feminism and femininity co exist What emerges between these previously opposed extremes Book cover **The Advocate** ,2004

The Stepford Wives [video Recording] ,1974 **Clockwork Worlds** Richard D. Erlich, Thomas P. Dunn, 1983-12-28 Taken to extremes social organization however necessary in itself leads to the creation of what editors Erlich and Dunn label Clockwork Worlds This anthology has been organized to define and expand that concept for the reader Arthur O Lewis provides a comprehensive overview of clockwork worlds and sets them in their political and literary contexts Following Lewis introduction are two series of essays which show how the theme of mechanized environments has been developed in classic works of dystopian fiction and how it has been treated by some of the major contemporary science fiction writers The Special Topics section studies mechanized environments from a variety of viewpoints The editors have included an extensive list of stories novels films background readings and other works useful for the study of mechanized environments
