## **Still Sane:**

**I'M Still Sane!** Darryl E. McCullough, 2014-06-05 Years ago Darryl E. McCullough published his first book *Perfectly Sane: An Arsenal of Verbal Expression* consisting of short stories and poetry. While still professing his sanity, this writer, director, producer, and now award-winning screenplay writer is releasing his second book *I'm Still Sane But Crazier Than Ever: A Collection of Short Stories, Angry Poems, and Bitter Essays*. This book picks up where the other one left off. It showcases the life times and crimes of this author's imagination, perception, and his astounding revelations of growing up, race relations, dating, and marriage. Featuring such racial exploratory favorites as *The Ferguson Nose*, *A Raisin in a Bowl Full of White Rice*, and *Interracial Dating Who Cares Anymore*. Joined with the dating and marital expressions of *Ladies*, *The Truth about your Male Friends*, and *Then She Hit Me*, and *Look at my Beautiful Wife After the Divorce*. Also moralistic adult excavating such as *Sweets* and the eyebrow raising *Zebra*, *Playing Aint for Everybody*. This book also features many articles from the author's yearlong column *One Man's Point of View*. **Contemporary Art** Ann Millett-Gallant, 2024-04-04 The second edition offers an essential update to the foundational first edition *The Disabled Body in Contemporary Art*. Featuring updated chapters and case studies, this second edition will not only expand on the first edition but will bring a new focus to contemporary disabled artists and their embodied multimedia work.

**The Routledge Handbook of Disability Arts, Culture, and Media** Bree Hadley, Donna McDonald, 2018-12-07 In the last 30 years, a distinctive intersection between disability studies, including disability rights advocacy, disability rights activism, and disability law and disability arts, culture, and media studies has developed. The two fields have worked in tandem to offer critique of representations of disability in dominant cultural systems, institutions, discourses, and architecture, and develop provocative new representations of what it means to be disabled. Divided into 5 sections: *Disability Identity and Representation*, *Inclusion*, *Wellbeing*, and *Whole of life Experience*, *Access*, *Artistry and Audiences*, *Practices*, *Politics*, and the *Public Sphere*, *Activism*, *Adaptation*, and *Alternative Futures*, this handbook brings disability arts, disability culture, and disability media studies, traditionally treated separately in publications in the field, together for the first time. It provides scholars, graduate students, upper-level undergraduate students, and others interested in the disability rights agenda with a broad-based, practical, and accessible introduction to key debates in the field of disability art, culture, and media studies. An internationally recognized selection of authors from around the world come together to articulate the theories, issues, interests, and practices that have come to define the field. Most critically, this book includes commentaries that forecast the pressing present and future concerns for the field as scholars, advocates, activists, and artists work to make a more inclusive
