*Green Pastures and Still Waters for the Flock of God* Julius A. Von Poseck, 2015-04-10 Publisher's note This written statement was penned over a 100 years ago The following was written nearly six years ago It was only after much hesitation and prayer that at the repeated requests of some esteemed Christians and after a careful revision I have resolved to commit these notes to print I confide in the well known forbearance of my dear fellow Christians in this country as to the imperfections of expression The twenty third Psalm has been so interwoven with the whole of my Christian course of more than 26 years and our gracious Shepherd has from this precious portion of His Pasture whenever I turned to it so often blessed my soul that I could resist no longer the desire to communicate to others what He has been pleased to give to me The dispensational side of our Psalm I have only occasionally touched upon as the chief object of it is the feeding of the soul on Christ Consequently even the great Christian principles of truth foreshadowed and embedded in this Psalm are considered only as far as they concern the flock of God for instance the question of worship at the Lord's Table where we feed upon His death when We sing of the Shepherd that died That died for the sake of the flock For however important a place the Church as such may occupy at that blessed Table of our Lord and in His counsels yet this portion of divine truth would be out of place in our Psalm May God keep us from growing into cool and enlightened churchmen to the neglect of the pastoring of the flock for whom the Good Shepherd died

**Still waters; or, Refreshment for the Saviour's flock at eventide** James Smith, 1848 **Beside the Still Waters** Beside the Still Waters Ministries, 2010-08 This is a 365 day devotional book The pieces found in this book were selected from the first three years of the bimonthly devotionals distributed free throughout the United States by Still Waters Ministry of Clarkson Kentucky These readings are as diverse as the men who wrote them Few books will possess so many different challenges because few books have so many authors that hold your attention There is a theme verse for each day and a short Bible reading at the end of each day's reading By following the Bible reading schedule at the bottom of each reading you will read through the Bible in one year *Beside Still Waters* Marlene J. Chase, 2005

*Still Waters* Tami Hoag, 2003-12-30 The deepest waters hide the darkest secrets When the body of a murdered man literally falls at Elizabeth Stuart's feet she's able to wash away the blood but not the terror Unwelcome newcomers to Still Creek Minnesota she and her troubled teenage son are treated with suspicion by the locals including the sheriff Yet nothing will stop her from digging beneath the town's placid surface for the truth except the killer Running from a messy divorce Elizabeth believed buying a small town newspaper offered a fresh start for herself and her son But idyllic Still Creek nestled in the heart of lush Amish farmlands hides secrets dangerous enough to push someone to commit murder Now Elizabeth must risk everything to save herself and her son and to unmask the killer before the current of evil flowing through Still Creek drags her under When Elizabeth Stuart searched for a quiet peaceful home for herself and her son Still Creek seemed perfect Nestled in the heart of lush Amish farmlands this small idyllic Minnesota town would allow her to put a

shattering divorce behind her But the locals were noticeably cool to the newcomer who was rumored to be a gold digger especially when she started stirring up controversy with her newspaper And now when a murdered body literally falls at her feet she has a slight credibility problem particularly with the arrogant sheriff whose blue eyes seem to know her darkest secrets An ex pro athlete who had returned to Still Creek a hero Sheriff Dane Jantzen doesn't have much use for the media especially not in the form of this glamorous gutsy outsider who spells trouble with every word she prints So when she becomes his suspect in a vicious crime the last thing Dane expects is the jolt of attraction at their every encounter Elizabeth would soon challenge Dane's every assumption including the one that he's better off without love But as they risk everything to uncover the truth the current of evil that contaminates Still Creek threatens to pull them both under

*By the Still Waters* Vance Havner, 1934 AS A COUNTRY preacher in the lowlands of eastern Carolina I lived literally by still waters Here is a serene retreat for him who cares to live a day at a time with leisure to linger list and dream cypress swamps low hung with moss lazy waters where fishing boats float carelessly darkies abundant another proof of leisureliness and everywhere the calm of restfulness that seems to drift in with the tide from the nearby sea For one who easily grows tired of modernity's mad masquerade it is pleasant to return to these tranquil lowlands Nothing is more restful than a stroll beside these still waters while the wood thrush serenades from the cypresses while cattle amble homeward along pasture lanes and darkies hum their way from the fields at sundown Is it not significant that most of the men of God in the Bible knew best the fields the pastures the woods and waterways Abel the keeper of sheep Abraham Joseph Moses learning their deepest lessons among the flocks David the ideal shepherd boy whose later psalms breathe so often the spirit of early days among the quiet hills Amos the herdsman John the Baptist the fishermen disciples and above all the Lord Jesus these knew the way of the still waters But drowsy waters alone cannot rest the soul Yet these pleasant waterways of earth have their counterpart in the Word He leadeth me beside the still waters In the terrific pace of this age men break in body mind and spirit and he who knows not God's waters of quietness knows no peace at any price By Stoic hardihood by drowning their troubles by forced optimism by psychologic fads and freakish mental calisthenics men seek That blessed mood In which the burden of the mystery In which the heavy and the weary weight Of all this unintelligible world Is lightened But they find it not Partly because it is not a mood a feeling fond and fugitive It is a matter of faith taking God at His Word We reach the still waters when we cease being Ponce de Leons looking for an elusive fountain of youth and humbly follow the Good Shepherd to the green pastures Men call that foolish crude childish there are so many newer more up to date recipes for peacefulness Everywhere fine boulevards lead to the popular resorts of this ism and that

where with clever new methods earth's doctors seek to treat the soul But how often scholars ransack libraries looking for the secret of peace while the janitor may have found it long ago by the way of the Cross Do you know the waters of His rest We do not mean that daily you will bask in happy circumstances In the world ye shall have tribulation Our Lord's life was full of storm and tempest yet in the darkest days of all He bequeathed to us His legacy of peace John 16:33 His rest is no imaginary escape from reality His peace is that blessed consciousness that in the midst of trouble our real lives are beyond the reach of circumstance hid with Christ in God Blessed experience possible for the humblest believer here and now And blessed prospect still ahead for us when this mortal shall have put on immortality A pure river of water of life clear as crystal proceeding out of the throne of God and of the Lamb

### **The Ecological Bases for Lake and Reservoir Management**

David M. Harper, Bill Brierley, Alastair J.D. Ferguson, Geoff Phillips, 2013-03-09 The Ecological Bases for Lake and Reservoir Management provides a state of the art review of the range of ecologically based techniques necessary for the holistic management of lakes and their catchments Most of the methods case studies and national policies reviewed are directed towards management of the largest problem eutrophication with the emphasis on the multiple scale approach needed for successful management and restoration Case studies come from the USA and ten European countries and range from single lakes through to lake districts and national inventories Several essays precede the practical chapters with thought provoking comments on the political social and economic climate of water management

### **Still Waters**

Tami Hoag, 1994 When Elizabeth Stuart starts looking for a new home for herself and her son somewhere she can recover from a particularly bruising divorce Still Creek seems the answer to her dreams Hidden in the lush Amish farmlands of Minnesota Still Creek offers a sanctuary to the splintered family who look forward to settling down there But on their arrival the locals are distinctly cool to the newcomers And when Elizabeth becomes involved in a murder case she realises that there is a lot more to life in Still Creek than meets the eye
