Guttridge,2007-09-04 Decatur not only proved dauntless on the quarterdeck but amazingly effective in Mediterranean diplomacy His spectacular dealings with Islamic powers presaged America s twenty first century involvement in the region Readers will also learn the identity of the woman he forsook for a sophisticated beauty pursued by suitors as varied as Napoleon Bonaparte s brother and Aaron Burr Through freshly discovered documents many official some intensely personal biographer Leonard Guttridge traces the elements that sped Decatur inexorably into the shadow of murder **BOOK JACKET** **Stephen Decatur** Leonard F. Guttridge, Blazing sea fights and undercurrents of intrigue These are among the compelling ingredients of a biography that brings to life the most illustrious and formidable figure of the United States Navy His name is carried by more than two dozen towns and cities Historian Leonard F Guttridge offers this full exploration of Stephen Decatur s complex character Reckless in youth cool yet audacious in combat loved by those who sailed under his command yet plotted against by rivals in the race for glory Decatur is brought to life in this enthralling sea story [A Rage for Glory](#) James Tertius de Kay,2010-05-11 Stephen Decatur was one of the most awe inspiring officers of the entire Age of Fighting Sail A real life American naval hero in the early nineteenth century he led an astonishing life and his remarkable acts of courage in combat made him one of the most celebrated figures of his era Decatur s dazzling exploits in the Barbary

Allison,2007-03 Born to an immigrant Philadelphia family in 1779 Stephen Decatur became at age twenty five the youngest man ever to serve as a captain in the U S Navy His intrepid heroism leadership and devotion to duty made him a perfect symbol of the aspirations of the growing nation Leading men to victory in Tripoli the War of 1812 and the Algerian war of 1815 and coining the phrase Our country right or wrong Decatur created an enduring legend of bravery celebrated in poetry song paintings and the naming of dozens of towns from Georgia to Alabama to Illinois Decatur s friendships with James Madison John Quincy Adams and others made him a rising star in national politics He and his wife Susan built an elegant home near the White House which became a center of Washington society The capital and the nation were shocked when Decatur was killed at the age of forty one in a duel with a rival navy captain Although he died prematurely Decatur played a significant role in the shaping of the nation s identity at a time when the American people were deciding what kind of nation they would become **Stephen Decatur** Charles River Editors,2019-10-12 Includes pictures Includes a bibliography for further reading Our country right or wrong Stephen Decatur Between the Revolutionary War and the Civil War the United States engaged in several wars that have mostly been overlooked The War of 1812 is one of America s forgotten conflicts and the stalemated nature of the war which resolved virtually none of either side s war aims has also ensured that it is often given merely a cursory overview Great Britain as the leader of several coalitions of conservative European countries trying to isolate and snuff out the revolutionary spirit and the ambitions of Napoleon had been at war with France almost continuously since 1792 Under President Thomas Jefferson 1801 1809 and James Madison 1809 1817 the United States tried to steer a course that would keep it from being drawn into the European war and defend its neutrality on the high seas However both Britain and France wanted to hurt the other side economically by keeping goods out of their

enemy's hands. Thus they did not faithfully respect the rights of neutral nations. The British government in 1807 had issued the Orders in Council which enforced a naval blockade against France and with a shortage of seamen to man the Royal Navy Britain also felt justified in stopping and sometimes firing on ships flying the American flag in the name of apprehending escaped British sailors. In the same vein American shipping was disrupted by piracy across the globe especially in the Mediterranean leading to multiple conflicts known as the Barbary Wars. Americans had few things to celebrate during the Barbary Wars or the War of 1812 but one of them was the growing prestige of the U.S. Navy and among those who were instrumental in its development few were as influential as Stephen Decatur Jr. Decatur had an impact on nearly every war America fought in between the 1780s until his death in 1820 and his stardom ensured that he was a fixture among Washington D.C.'s elite in his own lifetime. As with John Paul Jones during the American Revolution Decatur's activities helped instantly associate his name with the fledgling country's success at sea. Stephen Decatur: The Life and Legacy of the Youngest Navy Captain in American History chronicles the various roles he played for the Navy and how he became one of America's most memorable naval heroes. Along with pictures depicting important people, places, and events you will learn about Decatur like never before.
