**Too Close to Call** Jeffrey Toobin, 2002-10-08 From the best selling author of *A Vast Conspiracy* and *The Run of His Life* comes *Too Close to Call* the definitive story of the Bush Gore presidential recount A political and legal analyst of unparalleled journalistic skill Jeffrey Toobin is the ideal writer to distill the events of the thirty six anxiety filled days that culminated in one of the most stunning Supreme Court decisions in history Packed with news making disclosures and written with the drive of a legal thriller *Too Close to Call* takes us inside James Baker s private jet through the locked gates to Al Gore s mansion behind the covered up windows of Katherine Harris s office and even into the secret conference room of the United States Supreme Court As the scene shifts from Washington to Austin and into the remote corners of the enduringly strange Sunshine State Toobin s book will transform what you thought you knew about the most extraordinary political drama in American history The Florida recount unfolded in a kaleidoscopic maze of bizarre concepts chads pregnant and otherwise unfamiliar people in critically important positions the Florida Supreme Court and familiar people in surprising new places the Miami relatives of Eli n Gonz lez in a previously undisclosed role in this melodrama With the rich characterization that is his trademark Toobin portrays the prominent strategists who masterminded the campaigns the Daleys and the Roves and also the lesser known but influential players who pulled the strings as well as the judges and justices whose decisions determined the final outcome Toobin gives both camps a treatment they have not yet received remarkably evenhanded nonpartisan and entirely new The post election period posed a challenge to even the most zealous news junkie how to keep up with what was happening and sort out the important from the trivial Jeffrey Toobin has now done this and then some With clarity insight humor and a deep understanding of the law he deconstructs the events the players and the often Byzantine intricacies of our judicial system A remarkable account of one of the most significant periods in our country s history *Too Close to Call* is endlessly surprising frequently poignant and wholly addictive
