Ultimate Violation:

The Ultimate Violation Kurtess Lief Scone, Bud Finnigan, 2012-06-14 In the right hands cosmetic or plastic surgery can become a work of beauty and a tremendous boost to a person's self-esteem. In the wrong hands cosmetic surgery can become a powerful force to destroy one's self-esteem and any trace of confidence a person may have in the very core of his or her soul. In *The Ultimate Violation* author Kurtess Lief Scone tells the story of his life, his time suffering from rickets as a young boy, his adolescence, the role his relationship to Jesus Christ has played in his life, and his adulthood during which disliking his facial appearance he underwent plastic surgery. In this memoir he discusses the malpractice of his surgeon and being forced to deal with the negative consequences followed by mental and emotional issues related to abnormal cosmetic changes. Scone provides tools and strategies to help others find the right cosmetic surgeon. *The Ultimate Violation* details Scone's journey to seek justice and overcome the embarrassment, shame, and humiliation he experienced at the hands of an unethical surgeon.
