Understanding the Anointing George Mfula , Understanding the Anointing is a must read book The first thing Jesus declared when He started ministry was that the Spirit of God was upon Him He went further to say that the same Spirit of God anointed Him to preach the gospel to the poor to heal the broken hearted and to preach deliverance to the captives It was such an enormous assignment and it was only possible by the anointing that came upon His life The anointing is not a philosophical theological or psychological idea but the Holy Spirit and His presence in manifestation In this book we will look deeply at the anointing for our spiritual enlightenment and empowerment We live in a dispensation of time where evil is escalating It is a perilous time because evil has now become good and good has become evil Isaiah 5 20 Hence the need for you and me to walk in the anointing of God However it is impossible to walk in the anointing of the Holy Spirit without a sufficient understanding of what it is With spiritual understanding comes spiritual empowerment and elevation Even before we talk about the anointing we must understand what it is with the help of the Holy Spirit Some Christians don t care whether they understand it Get this book You will scale greater heights of wisdom understanding knowledge and spiritual growth in Christ Jesus
