Understanding Violent Crime

Idris Guclu, Fatih Irmak

Understanding Violent Crime:

Understanding Violent Criminals David J. Thomas, 2014-06-19 What causes people to commit violent crimes The case studies in this book enable readers to evaluate the motivations behind crimes ranging from arson to rape to gang violence Violent crime remains a major problem in America in 2011 there were more than 1 2 million violent crimes committed in the United States To better grasp the complex reasons behind this disturbing statistic author David J Thomas a police officer and forensic psychologist conducted an in depth examination of violent crime to pinpoint why some individuals intentionally inflict pain and suffering upon others In this book readers are given access to excerpts from police interviews for each spotlighted crime in the case studies offering a unique inside look at the true motivations of the criminal The case studies include examples of arson crimes against children gang violence human trafficking murder rape and robbery The work also explores the psychology associated with each crime addresses evidence of corresponding personality types and delves into victimology

Understanding Violent Crime Stephen Jones, 2000-12-16 How widespread is violence Why do people engage in various forms of violence What can be done to reduce the level of violence *Understanding Violent Crime* provides a concise yet thorough and extensive account of the main explanations of violent behaviour It draws upon sociological and psychological perspectives on violence as part of a coherent approach to the study of a phenomenon that raises wide public concern There is also a focus on the ways in which violence is considered by the criminal justice system Definitions of the main violent offences including violent sexual offences are discussed and some indication of the levels of sentencing in particular cases is provided The final chapter then considers ways in which offenders are able to confront their violent behaviour within the criminal justice system Frequent references to the definitions and treatment of violence in Australia Canada New Zealand and the USA give the book a distinctive comparative perspective The result is a wide ranging and essential undergraduate text and a key reference for researchers in the field

The Handbook of Homicide Fiona Brookman, Edward R. Maguire, Mike Maguire, 2017-03-29 The Handbook of Homicide presents a series of original essays by renowned authors from around the world reflecting the latest scholarship on the nature causes and patterns of homicide as well as policies and practices for its investigation and prevention Includes comprehensive coverage of the complex phenomenon of homicide and its various forms Features original contributions from an esteemed team of global experts and scholars with chapters highlighting the authors original research Represents the first internationally focused collection of the latest research on the nature and causes of homicide Covers both the causes and dynamics of homicide as well as policies and practices intended to address it

The Oxford Handbook of Criminology Mike Maguire, Rodney Morgan, Robert Reiner, 2007 teachers and students of criminology and is a sourcebook for professionals

Criminology Tim Newburn, 2017-02-22 Comprehensive and accessible Tim Newburn s bestselling *Criminology* provides an introduction to the fundamental themes concepts theories methods and events that underpin the subject and form the basis for all

undergraduate degree courses and modules in Criminology and Criminal Justice This third edition includes A new chapter on politics reflecting the ever increasing coverage of political influence and decision making on criminology courses New and updated crime data and analysis of trends plus new content on recent events such as the Volkswagen scandal the latest developments on historic child abuse as well as extended coverage throughout of the English riots A fully revised and updated companion website including exam review and multiple choice questions a live Twitter feed from the author providing links to media and academic coverage of events related to the concepts covered in the book together with links to a dedicated textbook Facebook page Fully updated to reflect recent developments in the field and extensively illustrated this authoritative text written by a leading criminologist and experienced lecturer is essential reading for all students of Criminology and related fields Find online resources for both students and instructors at <https://routledge.com/textbooks/9781138643130>

Understanding and Preventing Violence, Volume 3 National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel on the Understanding and Control of Violent Behavior, 1994-02-01 This volume examines social influences on violent events and violent behavior particularly concentrating on how the risks of violent criminal offending and victimization are influenced by communities social situations and individuals the role of spouses and intimates the differences in violence levels between males and females and the roles of psychoactive substances in violent events

Understanding Crime Anna Alvazzi del Frate, Uglješa Zvekić, J. J. M. van Dijk, 1993 Proceedings of the International Conference on Understanding Crime Experiences of Crime and Crime Control organized by the United Nations Interregional Crime and Justice Research Institute in cooperation with the Italian Ministry of the Interior and the Ministry of Justice of the Netherlands

Understanding Violent Crime and Social Structure Idris Guclu, Fatih Irmak, 2013-01 As a major problem in daily life violent crimes bring economical psychological and social costs to every society In criminological inquiry one of the most asked questions is What causes violent crime Therefore criminologists explore what leads people to crime in order to generate crime prevention strategies that will provide a sense of security to the members of the communities Using a similar approach *Understanding Violent Crime and Social Structure* examines the impact of social and structural factors on violent crimes At the same time it provides valuable insight on the problems academic and law enforcement agencies face and some facts helping future researchers relate social structure to the emergence of violent crimes

Violent Offenders Christina A. Pietz, Curtis A. Mattson, 2015 *Violent Offenders* addresses the numerous challenges and issues facing individuals working with this population and provides broad coverage regarding specific groups of violent perpetrators

Understanding Violence David P. Barash, 2001 *Understanding Violence* provides an interdisciplinary sampling of readings geared toward deconstructing violence using a scholarly approach Drawing from key contributors across such fields as psychology criminology sociology anthropology biology and political science this text provides a core curriculum in the subject as a whole what every student

should know regardless of specialization However the readings are concise enough that professors could use the book as a supplement to additional material in their preferred discipline

The Study of Violent Crime Scott Mire,Cliff Roberson,2010-12-14 Violence is a complex subject that is rooted in a multitude of disciplines including not only criminology but also psychology sociology biology and other social science disciplines It is only through understanding violence as a concept that we can hope to respond to it appropriately and to prevent it The Study of Violent Crime Its Correlates

Vulnerable Victimization Phil Mulvey,Shelly L. Clevenger,2023-09-06 This edited volume showcases research on vulnerable victimizations or more specifically on individuals and or populations that due to their status have less power in society are socially controlled in unique ways in the criminal legal system or are members of marginalized groups with specialized considerations surrounding their victimization experiences such as LGBTQIA individuals immigrants incarcerated persons children and females The scholarship focuses on the overall victimization experience and at the same time is also centered on the victimization experiences of historically ignored and or marginalized groups Victimization of vulnerable individuals in the United States is increasing at a moment when marginalized groups continue to confront legislative and policy reforms that would undermine their liberty It is as important now as it has ever been for the field of victimology to consider those who historically may not have the loudest or any voice to spotlight and investigate their experiences

Vulnerable Victimization will be a key resource for academics researchers and advanced students of Victimology Criminology and Criminal Justice The chapters included in this book were originally published in Victims Offenders

The Social Reality of Violence and Violent Crime Henry H. Brownstein,2000 This book is written in the form of stories that individually and collectively describe violence and violent crime in America in the twentieth century Because violence means different things to different people this book attempts to show the many ways in which we as a society think about violence and how these perceptions have developed in our society during the twentieth century Weaving a personal narrative style together with official statistics media reports research findings and first hand accounts the author illustrates the American experience and the social construction of various forms of violence Since the language of social constructionism is often difficult to understand this book utilizes simple explanations of how violence and violent crime are socially constructed This book succeeds in making an abstract but important theory accessible by grounding these explanations in specific historical and biographical experiences of American society For anyone interested in understanding violence

Justice Assistance News ,1981

[Understanding Violence and Victimization](#) Robert J. Meadows,2010 Understanding Violence and

Victimization Fifth Edition explores selected types of violence and examines the causes and responses to such victimization Written for courses in victimology violence and criminology it addresses topics such as domestic violence stranger violence workplace violence school violence criminal justice violence and the violence of terrorism Each chapter includes case studies and discussion questions and explores prevention strategies victim responses and legal approaches This edition features a

new chapter on understanding violence and provides the latest information on victimization *Popular Fallacies Explained and Corrected* Alfred Seabold Eli Ackermann,1924 **Understanding the Criminal Justice System** Jan Yager,1979

Encyclopedia of Crime and Punishment David Levinson,2002-03-18 Authoritative and comprehensive this multivolume set includes hundreds of articles in the field of criminal justice Impressive arrays of authors have contributed to this resource addressing such diverse topics as racial profiling money laundering torture prisoner literature the KGB and Sing Sing Written in an accessible manner and attractively presented the background discussions definitions and explanations of important issues and future trends are absorbing Interesting sidebars and facts reference lists relevant court cases tables and black and white photographs supplement the entries Appendixes cover careers in criminal justice Web resources and professional organizations A lengthy bibliography lists relevant works The Best of the Best Reference Sources American Libraries May 2003 *Dangerous People* Nigel Walker,1996 The papers in this collection provide an overview of how UK courts parole boards mental health tribunals and probation services deal with violent or sexual offenders who are regarded as dangerous **Understanding Crime Trends** National Research Council,Division of Behavioral and Social Sciences and Education,Committee on Law and Justice,Committee on Understanding Crime Trends,2009-02-05 Changes over time in the levels and patterns of crime have significant consequences that affect not only the criminal justice system but also other critical policy sectors Yet compared with such areas as health status housing and employment the nation lacks timely information and comprehensive research on crime trends Descriptive information and explanatory research on crime trends across the nation that are not only accurate but also timely are pressing needs in the nation s crime control efforts In April 2007 the National Research Council held a two day workshop to address key substantive and methodological issues underlying the study of crime trends and to lay the groundwork for a proposed multiyear NRC panel study of these issues Six papers were commissioned from leading researchers and discussed at the workshop by experts in sociology criminology law economics and statistics The authors revised their papers based on the discussants comments and the papers were then reviewed again externally The six final workshop papers are the basis of this volume which represents some of the most serious thinking and research on crime trends currently available
