Duck for President Doreen Cronin,2004 When Duck gets tired of working for Farmer Brown his political ambition eventually leads to his being elected President *Duck for President* Doreen Cronin,2001-01-01 From the author of Click Clack Moo here is a duck who began in a humble pond Who worked his way to farmer to governor and now perhaps to the highest office in the land Ladies and gentlemen this election year you owe it to your country to vote Duck Full color **Vote for Duck** Doreen Cronin,Betsy Lewin,2004 Duck is not happy with his lot on Farmer Brown s farm so he calls an election and wins But he soon finds out that he doesn t actually enjoy running a farm and that he d much rather run something bigger so he hits the campaign trail Moving higher and higher up the political hierarchy Duck ultimately finds himself running the country But is he happy No he yearns for the quiet life and so answers an advertisement in the paper Duck wanted no experience necessary An entertaining and original tale that takes a whole new look at the corridors of power **The Court v. The Voters** Joshua A. Douglas,2024-05-14 An urgent and gripping look at the erosion of voting rights and its implications for democracy told through the stories of 9 Supreme Court decisions and the next looming case In *The Court v The Voters* law professor Joshua Douglas takes us behind the scenes of significant cases in voting rights some surprising and unknown some familiar to investigate the historic crossroads that have irrevocably changed our elections and the nation In crisp and accessible prose Douglas tells the story of each case sheds light on the intractable election problems we face as a result and highlights the unique role the highest court has played in producing a broken electoral system Douglas charts infamous cases like *Bush v Gore* which opened the door to many election law claims *Citizens United* which contributed to skewed representation but perhaps not in the way you might think *Shelby County v Holder* which gutted the vital protections of the Voting Rights Act *Crawford v Marion County Elections Board* which allowed states to enforce voter ID laws and make it harder for people to vote *The Court v The Voters* powerfully reminds us of the tangible real world effects from the Court s voting rights decisions While we can and should lament the democracy that might have been Douglas argues that we can and should double down in our efforts to protect the right to vote *Registration Primary and General Election Laws of the State of Delaware* Delaware,1913 **The Ducks ...** ,1928 **Journal** Virginia.
