Vs Naipauls Empty Chapel:

V.S. Naipaul's Empty Chapel John Kuar Persaud Ramphal,2003 *Famous Short Stories* John Kuar Persaud,2004 The book *Famous Short Stories* was written primarily to provide an opportunity for readers to laugh and enjoy themselves with the different types of humor imbedded in the anecdotes It is Dr John Ramphal s fervent desire to infuse more laughter in a world so full of stress All his short stories are Horatian satires where the satirist is amused by the characters reactions when placed in strange situations In each story a crucial decision of some sort must be made which inevitably inexorably affects not only the character himself but everyone around him including the reader

Four Contemporary Novels Kerry McSweeney,1983-01-01 *Four Contemporary Novelists* offer accounts of the fiction of Angus Wilson Brian Moore John Fowles and V S Naipaul The author has charted the development of each writer identified dominant themes controlling techniques and informing sensibility explained what each has tried to accomplish and compare theory to practice provided an appropriate context for appreciation and evaluation of all parts of each canon and made qualitative discriminations

The Enigma of Arrival V. S. Naipaul,2011-04-20 The Nobel Prize winning author distills his wide experience of countries and peoples into a moving account of the rites of passage endured by all people and all communities undergoing change or decay Naipaul s finest work *Chicago Tribune* A subtly incisive self reckoning *The Washington Post Book World* The story of a writer s singular journey from one place to another and from one state of mind to another At the midpoint of the century the narrator leaves the British colony of Trinidad and comes to the ancient countryside of England And from within the story of this journey of departure and arrival alienation and familiarity home and homelessness the writer reveals how cut off from his first life in Trinidad he enters a second childhood of seeing and learning Clearly autobiographical yet woven through with remarkable invention *The Enigma of Arrival* is as rich and complex as any novel we have had from this exceptional writer The conclusion is both heart breaking and bracing the only antidote to destruction of dreams of reality is remembering As eloquently as anyone now writing Naipaul remembers *Time* Far and away the most curious novel I ve read in a long time and maybe the most hypnotic book I ve ever read *St Petersburg Times*
