Wailing Monkey Embracing Tree:

Sexual Life in Ancient China R.H. van Gulik, 2021-10-01 In 1961 Robert van Gulik published his pioneering overview of Sexual Life in Ancient China This edition of the work is preceded by an elaborate introduction by Paul Rakita Goldin assessing the value of Van Gulik s volume the subject itself and its author The introduction is followed by an extensive and up to date bibliography on the subject which guides the modern reader in the literature on the field which appeared after the publication of Van Gulik s volume One of the criticisms in 1961 regarded the Latin translations of passages deemed too explicit by Van Gulik In this 2002 edition all Latin has for the first time been translated into unambiguous English thus making the full text widely available to an academic audience

Wailing Monkey Embracing a Tree Penelope Shuttle, 1973 The title according to the blurb is the Chinese name of a sexual position and the novel itself is a logophagaic adventure a dark word drunk exploration of emotional and sexual passions presented in lyrical often nonsensical image driven mini chapters of vivid swooning sometimes ludicrous pretentious always invigorating prose

R. Hodgson,2006 Publisher description **Redgrove's Wife** Penelope Shuttle,2006 Penelope Shuttle s latest collection *Redgrove s Wife* is a book of lament and celebration Its focus is the life and death of her husband the poet Peter Redgrove coupled with the loss of her father Here grief depression and ageing are confronted with painful directness but transformed into life affirming and redemptive poetry Other poems written over the same five year period are inspired by a wide variety of subjects from Cornish history and landscape to time weather spiders and postal regulations Some draw on myth and dream to reinvent reality while others take surprising liberties with language itself *Redgrove s Wife* offers an extraordinary range of different

kinds of poetry both sensuous and ceremonial elegiac and erotic visionary and playful Penelope Shuttle writes Despite Peter's worsening health many of the poems take as their task the search for a renewal of life during difficult circumstances How to go on loving the world which is what a poet is for when it deals you severe blows forcing you to give up much of what gives life its energy and delight My years as a carer for Peter and the sadness of witnessing his decline into frailty due to a combination of Parkinson's arthritis and diabetes were a time when I fought off depression and anger not always successfully but turned to poetry as channel for and transformer of such emotions After Peter died it was poetry that provided me with the proper consolations of human loneliness
