WITHOUT
IDOLS

Understanding the God that Kills Himself

GABRIEL VAHANIAN

Wait Without Idols

W. H. Auden

Wait Without Idols:

Wait Without Idols Gabriel Vahanian, 2010-08-01 Ephemeral differences notwithstanding both literature and the Bible are stirred by a common passion for words all of which are on an equal footing in staging an at once intimate and ultimate passion of the word Of language and its quest for truth of which each and every word of a dictionary is entrusted so long as no word per se can lord it over all the other words Keepers of the word words cannot keep a secret bound as they are both to reveal and conceal it at one and the same time Except for a parrot language has no mother tongue it inherits only that which it can translate the everlasting into the ephemeral the temporal into the eternal speaking into writing into that which happens once and for all Language is iconic and iconoclastic It is propitious to God and would be gods and conversely it is equally allergic to idols Hence the title of this book borrowed from a line of W H Auden s Christmas Oratorio No sooner is God worshipped than God is turned into an idol Biblical or not religious or secular literature is iconoclastic Promethean iconoclasm quarrels with God Ironically less theistic the paradox of Abrahamic iconoclasm lies in laying bare the duplicity not so much of God as of all human all too human conceptions of a God which falling short of God becomes an idol that can only be rebuked even by God if not by Abraham the father of faith No wonder Western literature has dealt with the death of God rather than with the living God its task has consisted in wording a world shaped and left to go adrift by Christian tradition itself gone irrelevant and locked up in a mother tongue no one speaks instead of time and again unleashing and worlding the Word

Thomas Merton and the Individual Witness David E Oberson, 2024-09-26 Thomas Merton proclaimed over sixty years ago that we were living in a post Christian world Since then in an increasingly secular society where the influence of the institutional church is under doubt Thomas Merton s reflections are more salient than ever David Oberon s discussion and analysis brings this mystic monk and spiritual leader s view of the opportunities presented to Christians by cultural changes to the forefront focussing on how the individual s witness can take precedence Oberon situates the reader in the current cultural context and handles Merton s work with care and clarity He illuminates Thomas Merton s unique view of his own society which credibly speaks to our present aiding Christians in navigating a post Christian post truth world

The Suicide of Christian Theology John Warwick Montgomery, 2018-01-26 A forceful scholarly call to return to the solid ground of the ancient creeds of Christianity Dr Montgomery s incisive observations on Barth Bultmann Tillich de Chardin Pike and others may rankle some readers on occasion But there can never be any question about the mental acumen he brings to bear upon his subject or the skill with which he pens his views Montgomery is so obviously at home in the area of the theological and so conversant with the convictions of his fellow theologians that he certainly must be reckoned with Not content with only analyzing the suicide of theology the author also gives a proposal for its resurrection

The Revolutionary Gospel Nancy J. Duff, Ry O. Siggelkow, Brandon K. Watson, 2022-12-19 This volume is a collection of 33 essays sermons and contemporaneous addresses by Paul L Lehmann a highly influential theological voice of the twentieth century Lehmann was a

close friend of Dietrich Bonhoeffer a student and friend of Reinhold Niebuhr and a longtime colleague of James Cone One of the first American readers of Karl Barth Lehmann's work also influenced early liberation theologies throughout the world The works included here span the years 1938-1998 and are organized around the following themes the direction of theology today I the revolutionary dimension of the gospel II the future of theology in a post-Christian world III and Dietrich Bonhoeffer a theological friendship IV The works contained in this volume were written to address a particular context yet remain surprisingly relevant for today

Mixed Blessings Brown Taylor Barbara, 2015-10-27 Published in the UK for the first time Mixed Blessings is one of Barbara Brown Taylor's earliest books which helped to establish her reputation as one of the finest spiritual writers in the English language In a series of reflections on scripture she considers the startling reality of what it means to be the people of God

The Palgrave Handbook of Radical Theology Christopher D. Rodkey, Jordan E. Miller, 2018-10-10 The Palgrave Handbook of Radical Theology is the definitive guide to radical theology and the commencement for new directions in that field For the first time radical theology is addressed and assessed in a single comprehensive volume including introductory and historical essays for the beginner essays on major figures and their thought and shorter articles on various themes concepts and related topics This book is a seminal work for the radical theology movement It clarifies origins and demonstrates the exigency and utility of current figures and issues A useful and essential guide for newcomers and veterans in the field this volume serves as both a reference work and an introduction to omitted or forgotten topics within contemporary discussions

Idols for Destruction Herbert Schlossberg, 1990

Morningside, 1899 Collected Poems Wystan Hugh Auden, 2007 This collection presents all the poems W. H. Auden wished to preserve in the texts that received his final approval Together these works display the range of Auden's voice and the breadth of his concerns and his deep knowledge of the traditions he inherited In a new preface Edward Mendelson offers a critical appreciation of Auden as well as explanation of the history of the text and the editorial principles that he has followed

Studies for the Pulpit. ... Seventh edition, 1873 *Collected Poems of W. H. Auden* W. H. Auden, 1991-04-23 Between 1927 and his death in 1973 W. H. Auden endowed poetry in the English language with a new face Or rather with several faces since his work ranged from the political to the religious from the urbane to the pastoral from the mandarin to the invigoratingly plain spoken This collection presents all the poems Auden wished to preserve in the texts that received his final approval It includes the full contents of his previous collected editions along with all the later volumes of his shorter poems Together these works display the astonishing range of Auden's voice and the breadth of his concerns his deep knowledge of the traditions he inherited and his ability to recast those traditions in modern times

The Works of President Edwards Jonathan Edwards, 1879 **The Church School Journal**, 1897 *Notes and Dissertations Upon the Prophecy of Hosea* John Sharpe, 1884 **Radical Theology: Phase Two** C. W.
