Waiting For The Sky To Fall

Richard Bailey

Waiting For The Sky To Fall:

A Complete English Translation of Dōgen Zenji's Shōbōgenzō (the Eye and Treasury of the True Law) 禅, 1977 **If the Sky Falls** Nicholas Montemarano, 2005-10-01 *If the Sky Falls* is the debut short story collection from award winning fiction writer Nicholas Montemarano. These eleven stories show why Jayne Anne Phillips has called Montemarano an American stylist capable of redeeming our darkest dreams. Redemption in these intense and sometimes violent stories is found in the lyrical prose in the act of storytelling itself. A young man tries to rescue his sister from her abusive lover and in the process must revisit his own family's violent history. Note to Future Self a home healthcare worker pops pills and takes two men with cerebral palsy to a strip club. The Usual Human Disabilities a man has a breakdown years after witnessing a brutal murder and doing nothing to help the victim. The Other Man In The November Fifteen a man is taken from his home and tortured though he has no idea why when he returns home he finds a different kind of torture awaiting him. Two of the stories Shift and the Pushcart Prize winning The Worst Degree of Unforgivable are stylistic tours de force. But style in this collection is always at the service of story. Montemarano's fiction maintains that rare balance between traditional storytelling and experimentation his work is innovative without being flashy sincere without being sentimental. In an age of hype *If the Sky Falls* truly is the real thing an original and important achievement in the short story form. **The Waiting Sky** Lara Zielin, 2012-08-02 One summer chasing tornadoes could finally change Jane's life for the better. Seventeen year old Jane McAllister can't quite admit her mother's alcoholism is spiraling dangerously out of control until she drives drunk nearly killing them and Jane's best friend Jane has only one place to turn her older brother Ethan who left the problems at home years ago for college. A summer with him and his tornado chasing buddies may just provide the time and space Jane needs to figure out her life and whether it still includes her mother. But she struggles with her anger at Ethan for leaving home and feels guilty is she also abandoning her mom just when she needs Jane most. The carefree trip turned journey of self discovery quickly becomes more than Jane bargained for especially when the devilishly handsome Max steps into the picture. **The Whole Sky** Heather Henson, 2017-08-22 When a devastating sickness spreads through a thoroughbred farm community a young horse whisperer is determined to find out why all the foals are dying in this tightly woven tender coming of age novel from award winning author Heather Henson. Twelve year old Sky and her father are horse whisperers their preternatural tenderness and understanding of horses and Sky's uncanny ability to actually understand what they're saying become their livelihood during the foaling season at multimillion dollar horse farms. They're sought after by the most prestigious farms in the country to keep pregnant horses calm and stress free until they give birth. But this spring something awful is happening foal after foal is a stillborn and no one knows why. And worse for Sky who lost her mother only months earlier her most beloved horse is about to have her first foal. In agony Sky takes it upon herself to figure out what the vets are missing and stop it before even more foals are lost. **As for the Sky, Falling** Shelagh Lynne Supeene, 1990 **Waiting for the Sky**
