who'd provide him with heirs. But a year of separation hasn't slaked rancher Clayton Worth's raging desire for his soon-to-be ex-wife. And Trish is as unpredictable as ever. Her mysterious reluctance to have kids was what drove them apart. Now Trish is back in Red Ridge, mother to a baby girl. The irony is maddening: Trish urgently needs to finalize their divorce before Clayton's irresistible charm can melt her resolve. Because his touch awakens a consuming hunger that hasn't died, they'd thought it was all over between them, but their hearts have other ideas.

Wins and Losses Pamela Ardoin Funderburk, 2023-03-01
Wins and Losses is a fictional story of a family. Tate and Jenna Richards, who became all too familiar with wins and losses in their lives. This book introduces Tate and Jenna Richards and follows their journey into parenthood where they suffer one of their greatest losses. Their daughter Jenna, literally from birth, without even knowing it, experiences one of her first losses and invites readers to ride alongside her as she travels through life, continuing to experience more wins and losses. The wins and losses ultimately shape her into the young woman she becomes. It's my hope that readers will realize that some losses in life allow us to grow and teach us that no person will be able to experience only wins. Both wins and losses cause people to react in a way that forces them to push themselves in directions they may never have considered before. This may sound a bit harsh, but my goal in writing this book was to help people realize that some of the losses experienced in life, regardless of the pain they may have caused, happen for a reason. Those losses, whether understood or not, can and do sometimes open a door to allow them to find something or someone they would not have been able to find had they not experienced that loss. Losses in people's lives are sometimes hidden blessings that enable them to find something that unbeknownst to them, they have been searching for. Life is filled with wins and losses of some kind. No one can win or lose unless they participate.
