Sebastian's Way George Steger, 2013-10-03 IN A DARK AGE OF UNENDING WAR AND VIOLENCE ONE YOUNG WARRIOR OPPOSES A MIGHTY KING TO FORGE A NEW PATH TO PEACE During the savage Frankish Saxon wars the moving force of his age Karl der Grosse King Charlemagne fights and rules like the pagan enemies he seeks to conquer But in the long shadow of war and genocide a spark of enlightenment grows and the king turns to learned men to help him lead his empire to prosperity One of these men is the unlikely young warrior Sebastian Raised in an isolated fortress on the wild Saxon border Sebastian balances his time in the training yard with hours teaching himself to read seeking answers to the great mysteries of life during an age when such pastimes were scorned by fighting men Sebastian s unique combination of skills endears him to Charlemagne and to the ladies of the king s court though the only woman to hold his heart is forbidden to him As the king determines to surround himself with men who can both fight and think beyond the fighting Sebastian becomes one of the privileged few to hold the king s ear But the favor of the king does not come without cost As Charlemagne s vassals grapple for power there are some who will do anything to see Sebastian fall from grace including his ruthless cousin Konrad whose hatred and jealousy threaten to destroy everything Sebastian holds dear And as Sebastian increasingly finds himself at odds with the king s brutal methods of domination and vengeance his ingrained sense of honor and integrity lead him to the edge of treason perilously pitting himself against the most powerful man of his age This fast paced adventure story brings Charlemagne s realm to life as the vicious Christian pagan wars of the eighth century decide the fate of Europe Filled with action intrigue and romance Sebastian s Way is a riveting and colorful recreation of the world of Europe s greatest medieval monarch [Managing the Return of the Wild](#) Michaela Fenske, Bernhard Tschöfen, 2020-07-08 This book explores attitudes and strategies towards the return of the wild in times of ecological crisis focusing on wolves in Europe The contributions from a variety of disciplines discuss human encounters with wolves engaging with traditional narratives and contemporary conflicts Covering a range of geographical areas the case studies featured demonstrate the tremendous impact of the return of the wolf in European societies Wolves are a keystone species that exemplify humanity s relation to what is called nature and their return generates powerful debates about what nature actually is and how much it is needed or should be permitted to exist The book considers the return of the wild as a catalyst for fundamental socio biological changes of the world within human societies and the various responses of humans to wolves demonstrate both our

potential and limitations when it comes to multispecies communities and negotiating societal change *Managing the Return of the Wild* will be relevant to a broad audience interested in discussions of social and ecological conflict today including scholars from multispecies studies and diverse disciplines such as biology forestry management and folklore studies

Operation Chicken Neck Dev Kumar ,2026-02-11 The story behind Operation Chicken Neck revolves around a village just on the Siliguri Corridor in northern West Bengal also known as the Chicken Neck Corridor in geo political and geo strategic narratives The area is a hub of illegal activities mainly because of its proximity to the international borders of two neighbouring countries Nepal and Bangladesh However the biggest problem faced by local Hindu inhabitants of the village is the ever increasing footprint of Muslim infiltrators from neighbouring Bangladesh In this situation can Hindutva rise up in West Bengal and save this state from falling into the hands of enemy forces trying to weaken India The Hindu resistance in Bengal requires a different approach to tackle the forces of Muslim expansion that are relentlessly being pushed from Bangladesh by powerful pan Islamist groups Two Indian ex servicemen undertake a daunting and daring project to tackle the steadily increasing footprint of the Muslim infiltrators and secure this critical strategic flashpoint which is often seen by India s enemies as its Achille s Heel The actions and

interactions of both these ex soldiers involve numerous people from Siliguri right down to Kolkata and the Kishanganj district of the neighbouring state of Bihar as well the neighbouring country of Bangladesh and even far away Britain The Chicken Neck Corridor is a geo strategic pressure point on the map of India which is seen as the country s Achille s Heel by its enemies who feel that they can bring India down to its knees by cutting out a slice of this so called chicken s neck However for ex servicemen Ranjit Thakur and Dipankar Shome right on Ground Zero in the desolate rural town of Baikunthapur it is sheer survival in a placidly hostile environment against an enemy that seemed to be looming all over like a dark shadow The two ex servicemen know that the Bengali Bhadrlok culture has been slow to accept and adapt to the surge of Hindutva in West Bengal As Bhadrlok themselves they have the responsibility to get most if not all the Bengali Bhadrlok under the ambit of Hindutva Thakur and Shome knew that most folks in this forlorn rural town were not able to see the looming dark shadow engulfing their homes and hearth They must ensure that the Chicken Neck controversy is understood well by every Bengali Hindu in West Bengal and how they must unite to defeat the evil designs of the expansionist forces of Islam Operation Chicken Neck was the culmination of the efforts of these two ex servicemen to raise the perfect storm that obliterated the looming dark shadow over the Chicken Neck Corridor It s a story of courage patience and confidence that eventually brought success against odds that seemed insurmountable
