Woman At War:

A Woman at War Molly Moore, 2010-06-15 A journalist who accompanied a senior commanding general as he led his troops into battle during Desert Storm gives an insider's view of the heroism and tragedy that she witnessed on the front line Molly Moore senior correspondent for The Washington Post didn't think she'd be the only US journalist with a close up view of the Gulf War but when Lt Gen Walter Boomer commander of the US Marine forces invited her to shadow him while his troops planned and executed the invasion of Kuwait that's exactly the situation she found herself in The result of this brave journalistic effort is a vivid and dramatic account of the Gulf War one that does justice to the diligent gutsy marines that successfully drove Saddam Hussein's military from the country without romanticizing the horrors of battle Tense chaotic and thrumming with emotional resonance Moore's examination of the invasion offers indispensable insight into the 100 hour invasion that formed the overture to America's War on Terror

Woman at War Dacia Maraini, 1988 *WOMAN AT WAR* is the diary of a woman's growing self awareness Beginning as a passively absent narrator Vannina encounters a fascinating array of characters during the holiday she takes on an island in the Bay of Naples with her husband Giacinto When he returns to work in a garage in Rome Vannina travels to Naples with Suna a friend she has made on vacation This startling character opens Vannina to the possibility of finding love through other women and helps her reject the role of serving coffee to the men who would change the world through violence Back in Rome Vannina rejects her former life and moves toward complete if difficult independence Maraini's writing is superb Its warm and sensual style gives life to details the food of the Mediterranean the smell of its herbs the acts of making coffee and making love the step by step journey of an individual to self awareness self reliance and independence Everything is vivid and vibrant Maraini's women grow in strength beyond the clamor of political slogans The values of understanding intuition and compassion effect real change that transcends the wearisome struggle between the chauvinisms of the political Right and the political correctness of the Left A milestone in Italian literature
