Stepping Into Tomorrow: The Awakening Sebastain Cor-Dova,2012-05-09 Stepping into Tomorrow The Awakening throws a spotlight on the worsening condition of black men and women living in America and their survival or extinction if they remain unconscious to what is happening in their lives The plight of black people is a major concern for

Sheila a young and upcoming chief executive officer CEO at one of Chicago's prominent financial marketing and investment firms. In her attempt to understand the black condition, Sheila must first understand the psychological stereotypes levied against blacks in general. She must also come to terms with the relationship between the black man and woman, their mind set, and why she is unable to open herself to love. Through her friends Tameka, one of Chicago's top defense attorneys, and Connie, a successful small business owner, they, in their many debates and discussions, look at the plight of blacks. Although these exchanges are informative, Sheila, however, still struggles within her consciousness to find a solution that will bring her people to an awakened state. From her perspective, blacks are on a road that can only lead to destruction. Therefore, Sheila is convinced that an awakening is needed and that someone must sound the alarm.

Step into Jesus Josephine Victor, 2021-01-30. Congratulations! You have taken the first step to explore yourself in the journey towards Jesus. Step into Jesus is a Christian education series that offers systematic and comprehensive understanding about the Word of God, The Bible, the closest and most reliable resource for all age groups of followers of Jesus Christ to grow in their Faith. This book, first in this series, speaks broadly about the principles of Christian religion to the children. When we think of children, we all know that they are innocent, to differentiate between right and wrong, good and bad, but just mimic the elders and follow them without judging and thinking about the consequences. If children from an early age are taught to grow in Faith, they counteract the bad influences by themselves throughout their life. The God-given motivation serves me as an internal guidance in writing for children. This book can be read and discussed by parents with young children in their family time. It nourishes the mind and soul and straightens our ways. Be chosen and blessed to know about God.

Stepping on the Serpent Fr. Thaddaeus Lancton, MIC, 2018-01-22. Saying the prayer, Jesus, I trust in You, is easy. Living this prayer as Mary did is not so easy. Mary has learned though, and as a good Mother, teaches us how to trust, take a step along the path to life, and step upon the serpent who brings distrust and death. Stemming from years of personal prayer and lived experience, Fr. Thaddaeus Lancton, MIC, hopes to encourage the reader to take the next step in their own journey with the Lord.

Barrio Walk Ruben Gonzales, 2019-12-03. Barrio walk is about life during the late 1950s and beyond. It includes attending a seminary and the struggles faced when returning to the hood. This story is of Hope interspersed with humor and a glimpse of the future. The purpose of the book is to encourage readers to examine what they believe.

You Never Step into the Same Pulpit Twice Ronald J. Allen, 2022-06-23. This volume develops an approach to preaching that brings together two important forces. One is process theology, and the other is a homiletic of conversation based on mutual critical correlation. In this approach, the preacher does not unilaterally announce the Word of God but is the leader of an exciting conversation involving the biblical text, process theology, the congregation, and voices from the larger world. The preacher seeks to help the congregation identify God's invitations towards inclusive well-being and to imagine how to respond in ways that are consistent with those invitations that promote inclusive well-being. The book begins with a crisp and clear summary of the worldview of process

theology highlighting its distinctive views on how God operates in the world through invitation and on the interrelationship of all things The work then outlines an approach to biblical exegesis informed by process perspectives and sketches a method for bringing the biblical voice into dialogue with voices from tradition contemporary theology and the congregation and preacher The volume suggests shaping the sermon to honor process theology and conversation The volume concludes by noticing how perspectives from process and conversation help the preacher embody the sermon in engaging ways
