It was a hard working and bustling place but a loving and joyous one that kindergarten by Silver Street where I was working. I grew to know all my eighty charges for their fusses, their foibles, their tantrums, and their trilling laughter. Then one day I was surprised to have someone knocking for admittance. A boy, Kin yer take me in, Miss Kate said. He said, My name's Patsy. I bin waitin' this yer long while fur to git in. Why, my dear little boy, I said, gazing dubiously at him, you're too big aren't you? We have only tiny people here, you know, children not six years old. Well, I'm nine by the book, but I ain't more'n scarce six along o' my losin' them three year. What do you mean, child? How could you lose three years? I lost 'em on the back stairs, don't yer know? My father, he got fightin' mad when he was drunk and pitched me down two flights of 'em, and my back was most clean broke in two, so I couldn't git out o' bed forever till just now. Kin yer take me in, Miss Kate.

Unlike some other reproductions of classic texts: 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Story of Patsy Kate Douglas Smith Wiggin, 2013-07-20

It makes a heaven-wide difference whether the soul of the child is regarded as a piece of blank paper to be written upon, or as a living power to be quickened by sympathy, to be educated by truth. It had been a long wearisome day at the Free Kindergarten, and I was alone in the silent, deserted room. Gone were all the little heads, yellow and black, curly and smooth, the dancing, restless, curious eyes, the too-mischievous, naughty, eager hands, and noisy feet, the merry voices that had made the great room human, but now left it quiet and empty. Eighty pairs of tiny boots had clattered down the stairs, eighty baby woes had been relieved, eighty little torn coats pulled on with patient hands, eighty shabby little hats, not one with a strawberry mark to distinguish it from any other, had been distributed with infinite discrimination among their possessors, numberless sloppy kisses had been pressed upon a willing cheek or hand, and another day was over. No, not quite over, after all.

Patsy Cline Charlotte L. Bartles, Linda M. Sowers, 2005-10 For years rumors have circulated about the identity of country music legend Patsy Cline s real father In *Patsy Cline Our Father s Other Daughter* Charlotte Brannon Bartles breaks her silence and reveals the long awaited truth Charlotte s father Chester Brannon was also Patsy s father Learn about Patsy s other family and the man she called Pop Brannon Charlotte shares her memories of her famous half sister and also talks about her efforts to penetrate the wall of secrecy surrounding the circumstances of Patsy s birth and her father s relationship with Patsy s mother Hilda Hensley *Patsy Cline Our Father s Other Daughter* is the chapter of Patsy s life absent from all the other books and articles written about the late megastar The true story will alter Patsy s official biography and will be difficult for some to accept But I think the truth should prevail over someone s comfort level and the need to keep her life story as is It should be a consolation to Patsy s fans to know that Patsy knew a father who loved and adored her regardless of how limited his role had been From *Patsy Cline Our Father s Other Daughter*

The Story of Patsy By: Kate Douglas Wiggin Kate Douglas Wiggin, 2017-03-16 Kate Douglas Wiggin September 28 1856 August 24 1923 was an American educator and author of children s stories most notably the classic children s novel *Rebecca of Sunnybrook Farm* She started the first free kindergarten in San Francisco in 1878 the Silver Street Free Kindergarten With her sister during the 1880s she also established a training school for kindergarten

teachers Kate Wiggin devoted her adult life to the welfare of children in an era when children were commonly thought of as cheap labor. Early life: Kate Douglas Smith Wiggin was born in Philadelphia the daughter of lawyer Robert N. Smith and of Welsh descent. Kate herself experienced a happy childhood even though it was coloured by the American Civil War and her father's death. Kate and her sister Nora were still quite young when their widowed mother moved her little family from Philadelphia to Portland, Maine, then three years later upon her remarriage to the little village of Hollis. There Kate matured in rural surroundings with her sister and her new baby brother Philip. From a literary point of view her childhood was most distinctive for her encounter with the novelist Charles Dickens. Her mother and another relative had gone to hear Dickens read in Portland but Wiggin, aged 11, was thought to be too young to warrant an expensive ticket. The following day however she found herself on the same train as Dickens and engaged him in a lively conversation for the course of the journey, an experience which she later detailed in a short memoir, *A Child's Journey with Dickens*, 1912. Her education was spotty, consisting of a short stint at a dame school, some home schooling under the capable, slightly impatient, somewhat sporadic instruction of Albion Bradbury, her stepfather, a brief spell at the district school, a year as a boarder at the Gorham Female Seminary, a winter term at Morison Academy in Baltimore, Maryland, and a few months stay at Abbot Academy in Andover, Massachusetts, where she graduated with the class of 1873. Although rather casual, this was more education than most women received at the time. Early career: In 1873, hoping to ease Albion Bradbury's lung disease, Kate's family moved to Santa Barbara, California, where Kate's stepfather died three years later. A kindergarten training class was opening in Los Angeles under Emma Marwedel, 1818-1893, and Kate enrolled. After graduation in 1878 she headed the first free kindergarten in California on Silver Street in the slums of San Francisco. The children were street Arabs of the wildest type but Kate had a loving personality and dramatic flair. By 1880 she was forming a teacher training school in conjunction with the Silver Street kindergarten. In 1881 Kate married Samuel Bradley Wiggin, a San Francisco lawyer. According to the customs of the time she was required to resign her teaching job. Still devoted to her school she began to raise money for it through writing: first *The Story of Patsy*, 1883, then *The Birds*, *Christmas Carol*, 1887. Both privately printed books were issued commercially by Houghton Mifflin in 1889 with enormous success. *Jane Allen*, Edith Bancroft, 1918. Jane found love and fought high school level crime as she made her way on to the basketball team and grew up.
